## Bing: A History Of Western Architecture

Published in 1563, Vignola's *The Five Orders of Architecture* became a guide for builders throughout western Europe. In 1570, Andrea Palladio used the new technology of movable type to publish *I Quattro Libri dell' Architettura*, or *The Four Books of Architecture*. In this book, Palladio showed how Classical rules could be used not just for grand temples but also for private villas.
