Architect and Entrepreneur: on Apple Books

Successful entrepreneurs leverage both design thinking and human-centered design principles in order to drive towards growth and achieve their long-term goals. They combine novel ideas that address an unmet need or challenge and brings value to a large total addressable market. More importantly, they recognize that applying design thinking is not a once-and-done exercise, but a mindset that

Architect and Entrepreneur by Eric W Reinholdt | Audiobook

Successful entrepreneurs in design have broken out of the box, carving out new areas of practice. Several have blurred the boundaries of the architectural profession, redefined traditional roles of architects and impacted the public in ways we could never have imagined. My course, "Entrepreneurship in Design, Diversity, Environment and Behavior," serves as a prototype for other schools to
