Be Your Own House Contractor: How to Save 25 Per Cent

Oddly enough, we find it necessary to charge for our services. That ' s good for us, but expensive for you. The general contractor ' s fee for building your house, or his cost built into the price of the existing new house you buy, can easily be as high as 25% of the total price. That ' s tens or hundreds of thousands of dollars, or for the average price of a new home, about \$500 of your monthly house payment that goes to payoff the builder.

Be Your Own Contractor to Save Money? Pros and Cons

To be your own general contractor you don ' t even have to pick up a hammer! Except maybe to hand it to your framer. Here is what you DO need in order to be your own general contractor: None of the things listed above require you to build a wall or wire a light bulb right?
