An A-Z of garden design Complementary colours, found on the opposite side of the colour wheel, can intensify the effect in a flower border. Here the hot orange and reds really stand out against a green backdrop, and contrast with the purple Verbena bonariensis Using the floral colour wheel

Choosing a colour scheme for your garden - Saga

Soft colors such as white and pastel pinks, purples, and blues can make your garden feel larger because they seem like they're farther away. Maximize the effect by planting bolder shades of red, orange, or yellow up close. 17 of 18
