The Complete Book of Home Inspection, 3rd Edition

This book thoroughly walks the reader through the home inspection procedure in a step-by-step fashion. It is definitely worth buying and reading. Some chapters, such as the one on wood-destroying insects, have much detail. Others have a bit less detail and would benefit from additional illustrations and text. The author focuses on safety and cost considerations in performing home inspections

Complete Book of Home Inspection 4/E: Becker, Norman

Written by a professional home inspector and fully updated throughout, The Complete Book of Home Inspection shows you how to determine exactly what's behind, beneath, above, and around a house before you make an offer. If you're selling your home, you'll learn how to accurately evaluate its condition prior to setting a price. This comprehensive manual covers every aspect of exterior, interior
