that's not getting any better. The moment he's free from the press circuit, Billy bolts home--resolved to heal, and ready to win Taryn's heart a second time. Hopefully, before the love of his life is gone for good. Taryn Ledell never wanted to fall for sweet blue eyes and a deep southern drawl. As a World Superbike racer, she had plans, and none of them involved playing second fiddle to any man. But now he's back, and she's forced to make some hard choices. With her sponsors eager for a decision, Taryn finds herself tangled in all the lines they've drawn in the sand. But broken bones and broken hearts don't heal overnight, and the cost of forgiveness can be sky high: unless Billy can prove that his heart never left the ranchor her. ### Fearless Parenting Makes Confident Kids

"Growing up as an African American child in the 1960s in Greenville, South Carolina, Rick Abercrombie has seen it all. He has experienced racial prejudice all his life. He goes through the motions of attending school, but his heart isn't in it. He carries a gun for protection, and he is not afraid to use it. Then he is invited to a Bah â a' â i fireside, and his life changes. After hearing the message of Bah â a'u'll â ah and the Bah â a' â i teachings on racial equality, social justice, and progressive Revelation, Rick experiences a spiritual awakening and resolves to turn his life around. The path is not easy. His friends and family initially question his newfound faith and even his sanity. But Rick perseveres, and his parents and family gradually warm to the new religion and investigate the Bah â a' â i Faith for themselves. This is a true story of the steadfastness of one young man transformed his life, as well as the lives of his family, friends,

## Crossing the River

Fearless Parenting Makes Confident Kids is a user-friendly guide to parental authority in modern times and its pivotal role in raising self-reliant, compassionate, and ethical children, and preventing behavioral and even severe psychiatric disorders. The main theme and objective of this book is to prove that setting and enforcing reasonable and appropriate boundaries, combined with learning and education, could save parents' relationships with their kids and literally save children's lives. The book is unique in that it presents in a direct, simple, and yet profound way, real case studies and situations commonly encountered, along with severe cases of drug abuse, delinquencies, and mental disturbances. All cases are shown to respond very well to authority and boundaries adjusted to the specific situation and behavior. The book contains numerous references to professional material for the more advanced reader and derives inspiration from ancient philosophers and religious thinkers. Shulamit Blank, M.D, is a pediatrician as well as a child and adolescent psychiatrist. She is the founder and, since 1993, CEO of a community based educational and treatment facility in Israel for children and adolescents with severe psychiatric and behavioral disorders, in which she successfully implements her methods, prevents psychiatric hospitalization and incarceration, and minimizes the use of psychiatric drugs through teaching and education adjusted to the child's specific problems. Orly Fuchs-Shabtai is a clinical psychologist. In 2006 she established a national program for the prevention of child violence. The program, conducted by thirty-five counselors

IN THIS TEEN SPY THRILLER, JOCELYN STEELY IS AMERICA'S LAST SHOT TO BEAT THE NORTH KOREANS When Jocelyn Steely was kidnapped by a North Korean spy agency, she was only a little girl. Young. Scared. Powerless. And completely moldable. Now, ten years later, she's a ruthless assassin. Yet her target isn't who you might think. Jocelyn is determined to escape her kidnappers and take down North Korea and their spy agency forever. But when she makes it to U.S. soil, she finds that not everyone believes her story. Will she be able to get the Americans to trust her? Or will the North Koreans discover her deception before she has a chance? In this life-or-death action-packed spy thriller, Meghan Rogers creates a teen girl character whose toughness, intelligence and determination rival Jason Bourne, Sydney Bristow and James Bond. The first novel in the Raven Files series will leave you breathless.

'I don't think I can actually remember a time in policing when I didn't want to join the Armed Offenders Squad. My early reasons for joining probably weren't the purest, though - I just thought they looked really cool.' Five Foot and Fearless is the inspiring story of Liz Williams, a police officer and mum of one, who desperately wanted to be part of the Armed Offenders Squad. The brutal selection process would send most people running for cover, but her husband's words spurred her on: 'You know, you could do it if you wanted to.' Liz's story is one of determination and girl power. She struggles with motherhood and childcare just like any other working mum - but in Liz's world, she needs someone to look after her son at 1 a.m. when she's called on to fight crime. A gifted storyteller, Liz entertains with tales of drowning in

FROM THE VERY FOUNDING OF OUR NATION, diversity has been one of our greatest strengths but also the greatest source of conflict. In less than a generation, America will become "minority-majority," and the world economy, already interconnected, will be even more globalized. The stakes for how we handle this evolution couldn't be higher. Will diversity be a source of growth, prosperity, and progress-or perpetual division and strife? America has the potential to realize huge gains economically and socially by more fully capitalizing on diversity, but significant challenges remain and it's a problem that all Americans should be focused on

solving. Despite tremendous progress, women and minorities still face barriers to accessing the full promise of the American dream. It doesn't have to be this way. Many of the solutions are right in front of us, and many exceptional, committed Americans are doing their part to make a difference. In the twenty-first century, nations will prosper only insofar as they embrace and celebrate the individuals, organizations, and collective efforts to advance every kind of diversity. Lauren Leader-Chiv é e believes America must lead the way. In **CROSSING THE THINNEST LINE**, she explores the state of our diverse union and shares important stories of progress and potential, highlighting those who are crossing dividing lines of race, gender, culture, and political party to build a more united and prosperous nation. Her revelations will transform the discussion and set the agenda for America's progress on these critical issues. A work of originality and ambition, **CROSSING THE THINNEST LINE** changes our understanding of diversity and offers lessons to change our lives and our country.

### He Will Go Fearless

Women and men are equally capable as leaders, but women have been trained to be nice. Being nice can take us only so far then it trips us up. To be effective, we need to reach inside ourselves and realize that just as mothers would walk in front of a bus to save their child, so we each can find a similar passion and commitment that pushes us onward removing fear and doubt so we simply do what we know to be right. Do you have to be born a leader? Have a title? Be a man? A certain age? The answer is: no. Each of us has leadership potential within and when we do our inner work, we can be the leader of our family, company, or

Luis Su á rez was a young boy already in love with football by the time his family moved from the countryside to Uruguay's capital, Montevideo. The guile and trickery of the street kid made an impact with the country's biggest club, Nacional, before he was spotted by Dutch scouts who brought him to Europe. Su á rez was lured from Ajax to Merseyside by another iconic number 7, Kenny Dalglish. From that moment, he terrorised Premier League defences, driving a resurgent Liverpool towards their most exciting top-flight season in 24 years. But there is another side to Luis Su á rez: the naturally fiery temperament which drives his competitiveness on the pitch. There was the very public incident with Patrice Evra of bitter rivals Manchester United, and the biting of Chelsea defender Branislav Ivanovic. Then during the World Cup finals in Brazil, in a physical encounter against Italy, he bit defender Giorgi Chiellini on the shoulder. Banned from football for four months, derided by the press, he was marched out of the country. In the summer's final twist, he became one of the most expensive footballers of all time, moving from Liverpool to Barcelona. In his first season at the Nou Camp he helped Barca to La Liga and Copa del Rey titles, scoring 16 goals in 27 games. In *Crossing the Line*, Luis Su á rez talks from the heart about his intriguing career, his personal journey from scrapping street kid to performer on football's biggest stage, and the never-say-die attitude that sometimes causes him to overstep the mark.

Parker Hamilton - movie star! That's what the world knows about me. Oscar winner, prominent bloodline, playboy. But there is so much more to me. My friends are my real family, and they are what matters most. But I'd be lying if I said that I'm not concerned about my reputation. Everyone who lives in the spotlight is. Listen, I can play any role - drama, comedy, romance. You name it. I can act my ass off, and I have the proof on a shelf in my office. But when my agent calls me into his office to offer me the role of a lifetime, I am hesitant. Not only would I have to act opposite Chance Steele, the most egotistical schmuck I know, but we would also have to pretend to be intimate. Really intimate. As in gay lovers. Now, don't get me wrong; I am as open-minded as they come. People can love whom they want, screw whom they want, even marry whom they want. But when you ask me to make out with a dude, pretend to roll around in a bed with him, well, that's where I draw the line. Maybe. Sometimes lines are blurry. And sometimes lines are just meant to be crossed. Crossing the Line is book 3 of the Taboo Love series and picks up where Unmasking Charlotte left off. As with Hey There, Delilah and

Her best friend's brother is totally off limits. She knows it and he knows it. But try telling their bodies that. When Sabrina Jones reluctantly visits a psychic one sunny San Francisco morning, she gets a whole lot more than she bargains for-like a prediction she will "lock eyes" with The One within the next two weeks. So, when she looks up into a pair of gorgeous green eyes belonging to her best friend's big brother, Sabrina's running scared. As sexy as he is, she can't fall for ladies' man Declan, not if she wants to keep what she holds most dear. Declan Scott is the successful head chef of the hottest new restaurant in San Francisco. He's got everything he could want: a great job, good friends, and any woman he desires. Problem is, he's always had a "thing" for his sister's best friend-ever since that one incredible kiss they shared as teenagers. When the two are thrown together on a weekend trip to Cabo San Lucas, it becomes harder to resist what they both feel. Maybe one hot and steamy night together could quench their thirst for one another? Or maybe it'll leave them both wanting more? Will they risk it all by crossing the line? "Of course, let us have peace,' we cry, 'but at the same time let us have normalcy, let us lose nothing, let our lives stand intact, let us know neither prison nor ill repute nor disruption of ties . . .' There is no peace because there are no peacemakers. There are no makers of peace because the making of peace is at least as costly as the making of war--at least as exigent, at least as disruptive, at least as liable to bring disgrace and prison and death in its wake." Daniel Berrigan, *No Bars to Manhood* More than sixty-five peacemakers have contributed oral narratives to this compelling history of those who say no to war making in the strongest way possible: by engaging in civil disobedience and paying the consequences in jail or prison. *Crossing the Line* gives voice to often neglected social history and provides provocative stories of actions, trials, and imprisonment. This fascinating volume serves as an excellent supplement to conventional histories. Almost all the storytellers here are people of faith or are inspired by those who live by faith. Many work at conventional careers; some do full-time peacemaking by living in Catholic Worker houses or in the Jonah House community; several are priests and nuns who minister worldwide. ### Fearless

Like the instant classic *The Last American Man*, *Fearless* is the story of a remarkable individual who accepts no personal limits—including fear. Freya Hoffmeister, a forty-six-year-old former sky diver, gymnast, marksman, and Miss Germany contestant, left her twelve-year-old son behind to paddle alone and unsupported around Australia—a year-long adventure that virtually every expert guaranteed would get her killed. She planned not only to survive the 9,420-mile trip through huge, shark-infested seas, but to do it faster than the only other paddler who did it. As journalist and expert kayaker Joe Glickman details the voyage of this Teutonic force of nature, he captures interminable days on the water and nights camped out on deserted islands; hair-raising encounters with crocs and great white sharks; and the daring 300-mile open-ocean crossing that shaved three weeks off her trip. For 332 days Glickman

### Crossing the Line: A Steamy Friends to Lovers Romance

Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. Fearless Public Speaking is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach, speaker, and semi-professional musician who thrives in front of the crowd but I wasn't always like this - I know your struggles

"A marvelous addition to the literature of inspirational sports stories." - Booklist (Starred Review) "This remarkable and inspiring story shines." - Publishers Weekly (Starred Review) An inspiring memoir of defying the odds from Kareem Rosser, captain of the first all-black squad to win the National Interscholastic Polo championship. "Crossing the Line will not just leave you with hope, but also ideas on how to make that hope transferable" (New York Times bestselling author Wes Moore). Born and raised in West Philadelphia, Kareem thought he and his siblings would always be stuck in "The Bottom", a community and neighborhood devastated by poverty

and violence. Riding their bicycles through Philly's Fairmount Park, Kareem's brothers discover a barn full of horses. Noticing the brothers' fascination with her misfit animals, Lezlie Hiner, founder of The Work to Ride stables, offers them their escape: an after school job in exchange for riding lessons. What starts as an accidental discovery turns into a love for horseback riding that leads the Rossers to discovering their passion for polo. Pursuing the sport with determination and discipline, Kareem earns his place among the typically exclusive players in college, becoming part of the first all-Black national interscholastic polo championship team—all while struggling to keep his family together. *Crossing the Line: A Fearless Team of Brothers and the Sport That Changed Their Lives Forever* is the story of bonds of brotherhood, family loyalty, the transformative connection between man and horse, and forging a better future that comes from overcoming impossible odds.

63 New and Updated Patterns for Driving and Sustaining Change “The hard part of change is enlisting the support of other people. Whether a top manager interested in improving your organization's results or a lone developer promoting a better way of working, this book will give you tools and ideas to help accomplish your goal.” – George Dinwiddie, independent coach and consultant, iDIA Computing, LLC “Keep the patterns in this book and *Fearless Change* handy. ... These patterns transformed me from an ineffective ‘voice in the wilderness’ to a valued collaborator.” – Lisa Crispin, co-author (with Janet Gregory) of *Agile Testing and More Agile Testing* In their classic work, *Fearless Change*, Mary Lynn Manns and Linda Rising interviewed

successful leaders of change, identified 48 patterns for implementing change in teams of all sizes, and demonstrated how to use these techniques effectively. Now, in *More Fearless Change* the authors reflect on all they've learned about their original patterns in the past decade, and introduce 15 powerful, new techniques – all extensively validated by change leaders worldwide. Manns and Rising teach strategies that appeal to each individual's logic (head), feelings (heart), and desire to contribute (hands) – the best way to motivate real change and sustain it for the long haul. Learn how to Focus on the best things you can achieve with limited resources Strategize to build flexible plans and go after low-hanging fruit Get help from the right people in the right ways Establish emotional connections that inspire motivation and imagination Create an “elevator pitch” that keeps everyone focused on what truly matters Build bridges, work with skeptics, soften resistance, and open minds Uncover easier paths towards change, and build on what already works Sustain momentum, provide time for reflection, and celebrate small successes *More Fearless Change* reflects a profound understanding of how real change happens: not instantaneously in response to top-down plans and demands, but iteratively, through small steps that teach from experience. Best of all, as thousands of change agents have already discovered, its patterns are easy to use – and they work.

### The Odyssey of Homer

This is the revised or second edition of the SHORT STORY that serves as the first tale in the Fearless Love series. Ethan Quaderer is the Great Thunderbird, the creature of Native American legend. From childhood, Ethan soared high across the land, as one with the majestic

bald eagles-only larger and more powerful. Great Thunderbird has one mission, to save the Native American people. But first, he must find his Chosen, his soul mate. Abraham Tuttle grew up in a household where being different was unacceptable. Forbidden. He hid his true nature, a Two Spirit-not male or female, but both. For many Native American tribes, being Two Spirit is a blessing, one to be honored and revered. Not so for Abraham. Through the Thunderbird dreams each finds the happiness they long for. One dreams of the Great Warrior who'd someday rescue him. The other dreams of the one he's searched for through many lifetimes. Dreams turn into reality when both men come face to face in the real world. Can Abraham find it within himself to let go of his past and embrace his future with Ethan, or will his doubts and fears of who and what he really is cause him to lose the only one who could ever complete him heart and soul?

made travel from one state to another by a man and a woman with the intent of committing an immoral act a major crime. Spawned by a national wave of "white slave trade" hysteria, the Act was created by the Congress of the United States as a weapon against forced prostitution. This book is the first history of the Mann Act's often bizarre career, from its passage to the amendment that finally laid it low. In David J. Langum's hands, the story of the Act becomes an entertaining cautionary tale about the folly of legislating private morality. Langum recounts the colorful details of numerous court cases to show how enforcement of the Act mirrored changes in America's social attitudes. Federal prosecutors became masters in the selective use of the Act: against political opponents of the government, like Charlie Chaplin; against individuals who eluded other criminal charges, like the Capone mobster "Machine Gun" Jack McGurn; and against black men, like singer Chuck Berry and boxer Jack Johnson, who dared to consort with white women. The Act engendered a thriving blackmail industry and was used by women like Frank Lloyd Wright's wife to extort favorable divorce settlements. "Crossing over the Line is a work of scholarship as wrought by a civil libertarian, and the text . . . sizzles with the passion of an ardent believer in real liberty under reasonable laws."—Jonathan Kirsch, Los Angeles Times

"Costa Azul" is about a place, with the same name, that is so bizarre, so unreal, and so wonderful that you will be calling your travel agent to book reservations to this fictitious exotic land. Complete with rival universities, folk traditions, and a cast of nutty, loveable characters, "Costa Azul" is impossible to resist. Try it and you will see.

### Luis Suarez: Crossing the Line - My Story

A fiercely authentic, critically acclaimed and award-winning modern classic. 'Speak up for yourself - we want to know what you have to say.' From my first day at Merryweather High, I know this is a lie. Nobody will even talk to me, let alone listen - all because I called the cops on an end-of-summer party. But if I could only tell everyone why I called the police that night If I could explain what happened to me If I could speak Then everything might change. 'With the rise of women finding their voices and speaking out about sexual assault in the media, this should be on everyone's radar Powerful, necessary, and essential.' - Kirkus
