Designology: How to Find Your Placetype and Align Your

“Having your back against the wall and a view of the world around you gives you the most secure sense of refuge,” said Dr. Sally Augustin, an applied environmental psychologist and author of “Designology: How to Find Your PlaceType and Align Your Life with Design” (Mango). In restaurants, for example, people gravitate toward seats and banquettes set against a wall, with a view of the door.

Designology: How to Find Your PlaceType and Align Your

Start your review of Designology: How to Find Your PlaceType and Align Your Life With Design. Write a review. Jan 20, 2020 Bailey rated it really liked it. I found this book very helpful in learning some of the common rules of thumb for setting up the right "feel" for each space. The book did a good job giving you the generalized/common information up front, providing a backdrop for the
