Buy Foundations of Landscape Architecture: Integrating

One of the foremost objectives of landscape architectural design is to impart an organizational order in the landscape. Heavily illustrated, this enlightening book introduces the basic elements and principles of design, and then explores the spatial language used to organize and shape landscape architectural

Foundations of Landscape Architecture: Integrating Form

Foundations of Landscape Architecture is an indispensable book. I'm still studying it but I feel very lucky to have "discovered" it. Essential for Landscaping Architecture students! (as myself). It's only regrettable it has not been translated to portuguese yet (I'm from Brazil).
