Although Jeffery Brown's Goodnight Darth Vader features an especially for die-hard Star Wars aficionados likely delightful multitude of small snippets of related movie scenarios and trivia (accompanied by fun and entertainingly imaginative yet still realistic to the Star Wars movies illustrations) I cannot really claim that I have found the so-called bedtime story Darth Vader tells to young Luke and Leia (about various Star Wars characters making their preparations for bedtime and sleeping) all

Goodnight Darth Vader | Star wars comics, Star wars books

Savvy Sassy Moms^"Goodnight Darth Vader by Jeffrey Brown is a great gift book for the Star Wars fan in your life. I think it will delight anyone with a healthy sense of humor. For parents like me, it means I get to read a book to my son that we both enjoy instead of it being a one sided affair. It probably also means I read to him even more, which is a great thing. I recommend picking this one
