### Harry Potter: Hogwarts Christmas Wreath and Wand Set

Packed with bonus inserts, Diagon Alley: A Movie Scrapbook is a one-of-a-kind tour through the beloved wizarding locale. Diagon Alley is a cobblestoned shopping area for wizards and witches, and it was Harry Potter's first introduction to the wizarding world. On this bustling street, seen throughout the Harry Potter films, the latest brooms are for sale, wizard authors give book signings, and young Hogwarts students acquire their school supplies--cauldrons, quills, robes, wands, and brooms. This magical scrapbook takes readers on an interactive tour of Diagon Alley, from Gringotts Wizarding Bank to Ollivanders wand shop, Weasleys' Wizard Wheezes, and beyond. Detailed profiles of each shop include concept illustrations, behind-the-scenes photographs, and fascinating reflections from actors and filmmakers that give readers an unprecedented inside look at the beloved wizarding location. Fans will also revisit key moments from the films, such as Harry's first visit to Ollivanders when he is selected by his wand in Harry Potter and the Sorcerer's Stone and Harry, Ron, and Hermione's escape from Gringotts on the back of a Ukrainian Ironbelly dragon in Harry Potter and the Deathly Hallows - Part 1. Destined to be a must-have collectible for fans of Harry Potter, Diagon Alley: A Movie Scrapbook also comes packed with removable inserts.

### **Harry Potter Divination Sticker Kit**

This book takes a look at the arc of the storyline in Harry Potter, digging below the surface to explore ethical, mythological, and religious meanings in J.K. Rowling's best-selling series. Why do we find ourselves so intrigued with the tale of Harry Potter? Many of the millions who passionately read the Harry Potter series found they could relate to the details, dreams, and fears of Harry's life. From a phoenix that dies and rises again to Dumbledore, a character who appears in a realm beyond death, there can be little doubt that Rowling's story delves into profound themes and ideas. She tackles issues of grief, responsibility, individual excellence, and heroism in the face of violence and corruption. This philosophical analysis shows that if, in fact, we do find ourselves reflected in Harry's story, then we may also find that our destiny and individual potential resonates with his as well.

### **Textiles: Pearson New International Edition**

The official playscript of the original West End production of *Harry Potter and the Cursed Child*. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of *Harry Potter and the Cursed Child*.

### **Harry Potter: A Pop-Up Guide to Diagon Alley and Beyond**

Inspired by a haunting true story, a gorgeous and atmospheric novel about the mysterious disappearance of three lighthouse keepers from a remote tower miles from the Cornish coast--and about the wives who were left behind What strange fate befell these doomed men? The heavy sea whispers their names. Black rocks roll beneath the surface, drowning ghosts. And out of the swell like a finger of light, the salt-scratched tower stands lonely and magnificent. It's New Year's Eve, 1972, when a boat pulls up to the Maiden Rock lighthouse with relief for the keepers. But no one greets them. When the entrance door, locked from the inside, is battered down, rescuers find an empty tower. A table is laid for a meal not eaten. The Principal Keeper's weather log describes a storm raging round the tower, but the skies have been clear all week. And the clocks have all stopped at 8:45. Two decades later, the wives who were left behind are visited by a writer who is determined to find the truth about the men's disappearance. Moving between the women's stories and the men's last weeks together in the lighthouse, long-held secrets surface and truths twist into lies as we piece together what happened, why, and who to believe. In her

riveting and suspenseful novel, Emma Stonex writes a story of isolation and obsession, of reality and illusion, and of what it takes to keep the light burning when all else is swallowed by dark.
