Home for the Soul is about creating a considerate and sustainable home that sparks happiness and reflects the spirits, passions, and tastes of its inhabitants. --This text refers to the hardcover edition.

Home For The Soul Sustainable

In Home for the Soul, Sara Bird and Dan Duchars show how to create a beautiful home that suits its inhabitants while causing minimum damage to our increasingly fragile environment including using non toxic vegan paints and fabrics. The first section shares ideas for the elements of a stylish yet sustainable home, from lighting to linens, while in Part Two, Sara and Dan visit soulful homes and their owners to discover how they have created interiors that are beautiful yet responsible at the

Bing: Home For The Soul Sustainable

Mother and Baby Homes were created to provide support to unmarried pregnant women, to give them shelter as they underwent their confinement and frequently the adoption of their newborn. They sometimes served only as shelters or hostels, but for the purpose of this study Mother and Baby Homes are any institution whose main function was to provide accommodation for women and girls having an

Home for the Soul - Sustainable and Thoughtful Decorating

How we spend our money shapes the world. Each pound we spend casts a vote, saying "this is the kind of world I want to exist.". Our hostel and hub seeks to demonstrate that it is possible to have great quality of life, that is ethical, connected and sustainable. We aim to source from suppliers that are helping to create the kind of world we want to see.
