INCIDENTS IN THE LIFE OF A SLAVE GIRL

Autobiography of the celebrated baseball hero and first African-American to break through into the white world of professional sports.

Three Men in a Boat Illustrated

How digital technology is upending the traditional creative industries—and why that's a good thing
The digital revolution poses a mortal threat to the major creative industries—music, publishing, television, and the movies. Cheap, easy self-producing is eroding the position of the gatekeepers and guardians of culture. Does this

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

revolution herald the collapse of culture, as some commentators claim? Far from it. In *Digital Renaissance*, Joel Waldfogel argues that digital technology is enabling a new golden age of popular culture—a digital renaissance. Analyzing decades of production and sales data, as well as bestseller and best-of lists, Waldfogel finds that the new digital model is just as powerful at generating high-quality, successful work as the old industry model, and in many cases more so.

The Boy who Came Back from Heaven

As the first African American player in major league baseball, Jackie Robinson had the eyes of the nation upon him. The pressure was incredible; not only did he constantly face prejudice—from ignorant fans, malicious players, and even bigoted sportswriters—but he also carried the hopes and expectations of all those who were rooting for him. Most mortals would have been crushed, but Jackie Robinson was no ordinary man. Maintaining both his dignity and calm while under attack, Robinson handled the stress heroically and delivered top-notch performance. His first year he batted .297, was chosen to be Rookie of the Year, and two years later, he was voted the league's MVP. Not surprisingly, there has been plenty of media coverage on such an iconic and groundbreaking player, but in *Jackie Robinson: My Own Story*, Robinson's experiences both on and off the field are presented in his own words. This account (as told to the veteran sports writer Wendell Smith) was written soon after Robinson's first year in the majors. It helps us understand the forces that influenced this much admired superstar as well as gives us insight into what it was like to live and perform under unfathomable pressure. Jackie Robinson has left an indelible mark on baseball history. In fact, his jersey, number 42, is the only number to be retired for all teams in the majors. For any baseball fan interested in one of the game's true greats, both on

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

the field and off, Jackie Robinson: My Own Story is an engaging must-read.

I Never Had It Made

He was not much of a player and not much more of a manager, but by the time Branch Rickey (1881-1965) finished with baseball, he had revolutionized the sport not just once but three times. In this definitive biography of Rickey the man sportswriters dubbed "The Brain," "The Mahatma," and, on occasion, "El Cheapo" Lee Lowenfisch tells the full, colorful story of a life that forever changed the face of America's game. From 1917 to 1942, Rickey was the mastermind behind the Saint Louis Cardinals who enabled small-market clubs to compete with the rich and powerful by creating the farm system. Under his direction in the 1940s, the Brooklyn Dodgers became the first true "America's team." By signing Jackie Robinson and other black players, he single-handedly thrust baseball into the forefront of the civil rights movement. Lowenfisch evokes the peculiarly American complex of God, family, and baseball that informed Rickey's actions and his accomplishments. His book offers an intriguing, richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business, sport, and society.

Never Had It Made is Robinson's own candid, hard-hitting account of what it took to become the first black man in history to play in the major leagues. I Never Had It Made recalls Robinson's early years and influences: his time at UCLA, where he became the school's first four-letter athlete; his army stint during World War II, when he challenged Jim Crow laws and narrowly escaped court martial; his years of frustration, on and off the field, with the Negro Leagues; and finally that fateful day when Branch Rickey of the Brooklyn Dodgers proposed what became known as the "Noble Experiment" -- Robinson would step up to bat to integrate and revolutionize baseball. More than a baseball story, I Never Had It Made also reveals the highs and lows of Robinson's life after baseball. He recounts his political aspirations and civil rights activism; his friendships with Martin Luther King, Jr., Malcolm X, William Buckley, Jr., and Nelson Rockefeller; and his troubled relationship with his son, Jackie, Jr. Originally published the year Robinson died, I Never Had It Made endures as an inspiring story of a man whose heroism extended well beyond the playing field.

Trump: The Art of the Deal

I Never Had It Made

Baseball, basketball, football — no matter the game, Jackie Robinson excelled. His talents would have easily landed another man a career in pro sports, but in America in the 1930s and '40s, such opportunities were closed to athletes like Jackie for one reason: his skin was the wrong color. Settling for playing baseball in the Negro Leagues, Jackie chafed at the inability to prove himself where it mattered most: the major leagues. Then in 1946, Branch Rickey, manager of the Brooklyn Dodgers, decided he was going to break the “rules” of segregation: he recruited Jackie Robinson. Fiercely

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

determined, Jackie faced cruel and sometimes violent hatred and discrimination, but he proved himself again and again, exhibiting courage, restraint, and a phenomenal ability to play the game. In this compelling biography, award-winning author Doreen Rappaport chronicles the extraordinary life of Jackie Robinson and how his achievements won over — and changed — a segregated nation.

Dear Sonali, Letters to the Daughter I Never Had

The 1950s saw a major shift in the lifestyles of many in Britain. The austerity that had dogged the 1940s after the end of the Second World War began to give way to better times. Employment levels rose to new heights, white consumer goods appeared in shop windows for the first time, television replaced the radio in most homes, rock and roll was born, the National Health Service provided free health care to the nation, more children went to grammar schools, leisure time increased, families went on holiday, and the new Queen was crowned — bringing in a glorious new Elizabethan age. Including interviews with former Labour leader Lord Neil Kinnock, footballers Bobby Charlton, Wilf McGuinness and Terry Venables, radio producer, author and journalist Clare Jenkins, and the eminent historian Lord Peter Hennessy, among others, this delightful compendium of reminiscences will appeal to all who grew up in this post-war decade, whether in town or country, wealth or poverty. With chapters on schooldays, TV and radio, trips to the seaside, music and fashion, these wonderful stories are sure to jog the memories of all who remember this exciting era.

Stealing Home

"Lydia is dead. But they don't know this yet. So begins the story of this exquisite debut novel, about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee; their middle daughter, a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue—in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the center of every party. When Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together tumbles into chaos, forcing them to confront the long-kept secrets that have been slowly pulling them apart. James, consumed by guilt, sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to find a responsible party, no matter what

the cost. Lydia's older brother, Nathan, is certain that the neighborhood bad boy Jack is somehow involved. But it's the youngest of the family-Hannah-who observes far more than anyone realizes and who may be the only one who knows the truth about what happened. A profoundly moving story of family, history, and the meaning of home, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, exploring the divisions between cultures and the rifts within a family, and uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another"--

What If I Had Never Tried It

This book challenges the orthodox views of William I's great census of 1086, to give an intriguing story of the origins of England's greatest historical record, as well as new insights into its contents.

of the Deal is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It's the most streetwise business book there is – and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

'Never had the liked occurred'

On April 15, 1947, young Jackie Robinson walked onto Ebbets Field as a Brooklyn Dodger. The first black man to play in the white major leagues, he had the courage to confront racism and fight for the rights of all black people, on and off the field. This book tells the story of Robinson's eventful life. Photos.

Branch Rickey

when it came out, it all fell apart. When the day comes for bridesmaids to be chosen and best men to fulfil drunken promises, Nicky and Miles' wedding isn't just a wedding, it's a reunion - loaded with past hurts, past regrets, past loves The Best Thing I Never Had is in turns funny and sad, but always honest, about friendship in all its forms and the practicality of second chances. If you fell in love with Mhairi McFarlane's You Had Me at Hello and David Nicholls' One Day, then this stunning debut book is for you.

Paper Towns

A chronicle of the 1947 baseball season in which Jackie Robinson broke the race barrier is a sixtieth anniversary tribute based on interviews with Robinson's wife, daughter, and teammates that covers such topics as his relationship with fellow players, the St. Louis Cardinals' proposed boycott of the Dodgers, and Robinson's association with segregated hotel roommate and sportswriter Wendell Smith. Reprint. 40,000 first printing.

The Black Bruins

Alice's Adventures in Wonderland

The discipline of Egyptology has been criticised for being too insular, with little awareness of the development of archaeologies elsewhere. It has remained theoretically underdeveloped. For example the role of Ancient Egypt within Africa has rarely been considered jointly by Egyptologists and Africanists. Egypt's own view of itself has been neglected; views of it in the ancient past, in more recent times and today have remained underexposed. Encounters with Ancient Egypt is a series of eight books which addresses these issues. The books interrelate, inform and illuminate

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

one another and will appeal to a wide market including academics, students and the general public interested in Archaeology, Egyptology, Anthropology, Architecture, Design and History. Never Had the Like Occurred examines Ancient Egypt's own multifaceted encounters with its past. As Egyptian culture constantly changed and evolved, this book follows a chronological arrangement, from early Egypt to the attitudes of the Coptic population in the Byzantine Period. Within this framework, it asks what access the Egyptians had to information about the past, whether deliberately or accidentally acquired; what use was made of the past; what were the Egyptians attitudes to the past; what sense of past time did the Egyptians have; and what kinds of reverence for the past did they entertain? This is the first book dedicated to the whole range of these themes. It provides an explanatory context for the numerous previous studies that have dealt with particular sets of evidence, particular periods, or particular issues. It provides a case study of how civilizations may view and utilize their past.

I Never Had It Made

The extraordinary life of Jackie Robinson is illuminated as never before in this full-scale biography by Arnold Rampersad, who was chosen by Jack's widow, Rachel, to tell her husband's story, and was given unprecedented access to his private papers. We are brought closer than we have ever been to the great ballplayer, a man of courage and quality who became a pivotal figure in the areas of race and civil rights. Born in the rural South, the son of a sharecropper, Robinson was reared in southern California. We see him blossom there as a student-athlete as he struggled against poverty and racism to uphold the beliefs instilled in him by his mother--faith in family, education, America, and God. We follow Robinson through World War II, when, in the first wave of racial integration in the armed

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

forces, he was commissioned as an officer, then court-martialed after refusing to move to the back of a bus. After he plays in the Negro National League, we watch the opening of an all-American drama as, late in 1945, Branch Rickey of the Brooklyn Dodgers recognized Jack as the right player to break baseball's color barrier--and the game was forever changed. Jack's never-before-published letters open up his relationship with his family, especially his wife, Rachel, whom he married just as his perilous venture of integrating baseball began. Her memories are a major resource of the narrative as we learn about the severe harassment Robinson endured from teammates and opponents alike; about death threats and exclusion; about joy and remarkable success. We watch his courageous response to abuse, first as a stoic endurer, then as a fighter who epitomized courage and defiance. We see his growing friendship with white players like Pee Wee Reese and the black teammates who followed in his footsteps, and his embrace by Brooklyn's fans. We follow his blazing career: 1947, Rookie of the Year; 1949, Most Valuable Player; six pennants in ten seasons, and 1962, induction into the Hall of Fame. But sports were merely one aspect of his life. We see his business ventures, his leading role in the community, his early support of Martin Luther King Jr., his commitment to the civil rights movement at a crucial stage in its evolution; his controversial associations with Eisenhower, Kennedy, Nixon, Humphrey, Goldwater, Nelson Rockefeller, and Malcolm X. Rampersad's magnificent biography leaves us with an indelible image of a principled man who was passionate in his loyalties and opinions: a baseball player who could focus a crowd's attention as no one before or since; an activist at the crossroads of his people's struggle; a dedicated family man whose last years were plagued by illness and tragedy, and who died prematurely at fifty-two. He was a pathfinder, an American hero, and he now has the biography he deserves. From the Hardcover edition.

For My People

When Jackie Robinson signs a baseball contract with the Brooklyn Dodgers in 1947, he becomes the first African American to play in the major leagues, and he must prove that his skills on the field, and not the color of his skin, is what matters most.

Jackie Robinson

Introduction by Spike Lee. Back in print for the first time since its initial publication in 1964, *Baseball Has Done It* is an oral history of baseball as told by its greatest players to Jackie Robinson, the man who broke the colour line. This one-of-a-kind classic features rare and candid interviews with ballplayers who played and lived through the first generation of integration in baseball. This is an important document of the struggle for civil rights in America with a timely and affectionate message: if baseball has done it, the rest of society can too.

I Never Had it Made

Jackie Robinson, Branch Rickey, and the hidden hand of God that changed history Journalist and baseball lover Ed Henry reveals for the first time the backstory of faith that guided Jackie Robinson into not only the baseball record books but the annals of civil rights advancement as well. Through recently discovered sermons, interviews with Robinson's family and friends, and even an unpublished book by the player himself, Henry details a side of Jackie's humanity that few have taken the time to see. Branch Rickey, the famed owner who risked it all by signing Jackie to his first contract, is also shown as a complex individual who wanted nothing more than to make his God-fearing mother proud of him. Few know the level at which Rickey struggled with his decision,

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

only moving forward after a private meeting with a minister he'd just met. It turns out Rickey was not as certain about signing Robinson as historians have always assumed. With many baseball stories to enthrall even the most ardent enthusiast, 42 Faith also digs deep into why Jackie was the man he was and what both drove him and challenged him after his retirement. From his early years before baseball, to his time with Rickey and the Dodgers, to his failing health in his final years, we see a man of faith that few have recognized. This book will add a whole new dimension to Robinson's already awe-inspiring legacy. Yes, Jackie and Branch are both still heroes long after their deaths. Now, we learn more fully than ever before, there was an assist from God too.

Jackie Robinson

Some people suffer from chronic, debilitating disorders for which no conventional treatment brings relief. Can marijuana ease their symptoms? Would it be breaking the law to turn to marijuana as a medication? There are few sources of objective, scientifically sound advice for people in this situation. Most books about marijuana and medicine attempt to promote the views of advocates or opponents. To fill the gap between these extremes, authors Alison Mack and Janet Joy have extracted critical findings from a recent Institute of Medicine study on this important issue, interpreting them for a general audience. *Marijuana As Medicine?* provides patients--as well as the people who care for them--with a foundation for making decisions about their own health care. This empowering volume examines several key points, including: Whether marijuana can relieve a variety of symptoms, including pain, muscle spasticity, nausea, and appetite loss. The dangers of smoking marijuana, as

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

well as the effects of its active chemical components on the immune system and on psychological health. The potential use of marijuana-based medications on symptoms of AIDS, cancer, multiple sclerosis, and several other specific disorders, in comparison with existing treatments. *Marijuana As Medicine?* introduces readers to the active compounds in marijuana. These include the principal ingredient in Marinol, a legal medication. The authors also discuss the prospects for developing other drugs derived from marijuana's active ingredients. In addition to providing an up-to-date review of the science behind the medical marijuana debate, Mack and Joy also answer common questions about the legal status of marijuana, explaining the conflict between state and federal law regarding its medical use. Intended primarily as an aid to patients and caregivers, this book objectively presents critical information so that it can be used to make responsible health care decisions. *Marijuana As Medicine?* will also be a valuable resource for policymakers, health care providers, patient counselors, medical faculty and students--in short, anyone who wants to learn more about this important issue.

Domesday Book

After learning that her seemingly-happy parents are separating, and that a popular senior is interested in her, seventeen-year-old Janey King's priorities shift from track, school, friends, and family to something more.

The Autobiography of Malcolm X

The Black Bruins chronicles the inspirational lives of five African American athletes who faced racial discrimination as teammates at UCLA in the late 1930s. Best known among them was Jackie Robinson, a four-star athlete for the Bruins who went on to break the color barrier in Major League Baseball and become a leader in

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

the civil rights movement after his retirement. Joining him were Kenny Washington, Woody Strode, Ray Bartlett, and Tom Bradley—the four played starring roles in an era when fewer than a dozen major colleges had black players on their rosters. This rejection of the “gentleman’s agreement,” which kept teams from fielding black players against all-white teams, inspired black Angelinos and the African American press to adopt the teammates as their own. Kenny Washington became the first African American player to sign with an NFL team in the post–World War II era and later became a Los Angeles police officer and actor. Woody Strode, a Bruins football and track star, broke into the NFL with Washington in 1946 as a Los Angeles Ram and went on to act in at least fifty-seven full-length feature films. Ray Bartlett, a football, basketball, baseball, and track athlete, became the second African American to join the Pasadena Police Department, later donating his time to civic affairs and charity. Tom Bradley, a runner for the Bruins’ track team, spent twenty years fighting racial discrimination in the Los Angeles Police Department before being elected the first black mayor of Los Angeles.

Opening Day

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump’s then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and

to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas

The Language of Literature

Three Men in a Boat published in 1889, is a humorous account by English writer Jerome K. Jerome of a two-week boating holiday on the Thames from Kingston upon Thames to Oxford and back to Kingston. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about Three Men in a Boat is how undated it appears to modern readers - the jokes have been praised as fresh and witt

I Never Had It Made

"Incidents in the Life of a Slave Girl" was one of the first books to
address the struggle for freedom by female slaves; explore their
struggles with sexual harassment and abuse; and their effort to
protect their roles as women and mothers. After being
overshadowed by the Civil War, the novel was rediscovered in the
late 20th century and since then hasn't been out of print ever. It is
one of the seminal books written on the theme of slavery from a
woman's point of view and appreciated worldwide academically as

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

well. Excerpt: "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course." Harriet Jacobs (1813–1897) was an African-American writer who was formerly a fugitive slave. To save her family and her own identity from being found out, she used the pseudonym of Linda Brent and wrote secretly during the night.

Everything I Never Told You

Now available as an eBook for the very first time! • ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Malcolm X's autobiography seemed to offer something different. His repeated acts of self-creation spoke to me; the blunt poetry of his words, his unadorned insistence on respect, promised a new and uncompromising order, martial in its discipline, forged through sheer force of will."—Barack Obama, Dreams from

following a car accident that left him paralyzed offers new insights on miracles, life beyond this world and the power of a father's love.

Baseball Has Done it

With an enduring grasp of human nature, Dale Carnegie's *How to Win Friends and Influence People* teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's *How to Win Friends and Influence People*, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

42 Is Not Just a Number

First GP win aged 17. First world title at 18. First 500 class win at 21. First MotoGP win at 22. Living Legend. Valentino Rossi is the greatest motorcyclist on earth. Wherever he goes, legions of fans follow him, in awe of his professionalism and skill on the track, and his style and charisma off it. Valention Rossi: Brilliant, talented, always relaxed, and very, very fast.

The Best Thing I Never Had

Read Book Online I Never Had It Made An Autobiography Of Jackie Robinson

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
