Interior Design Space Planning | Molly by Design | United

Space Planning All rooms are first and foremost functional spaces, in which we live, eat, entertain, sleep, read, dress, bathe etc. If the room does not meet its first critical criteria of functionality – it really won't matter how beautiful it looks! So before you begin to consider how the room will look and feel you need to plan the space.

Interior space planning: concepts, standards and trends

Space planning is one of the most important aspects of interior design. It can have a very strong impact on the success of a room. Without proper planning, a room can end up awkward at best or disastrous at worst. Knowledge of furniture sizes and space allowances, some imagination and a sense of composition really help too.

Space Planning – Interior Workplace Design and Space Planners

Space planning is a fundamental element of the interior design process. It starts with an in-
