It's All in Your Head: The Link Between Mercury, Amalgams

And yet, when it comes to a diagnosis, 'It's all in your head' is the very last thing we want to hear, and the last thing doctors want to say. In 'It's All in Your Head' consultant neurologist Dr Suzanne

O'Sullivan takes us on a journey through the world of psychosomatic illness.

It's All in Your Head: True Stories of Imaginary Illness

It's All in Your Head looks at past research on mercury toxicity and dental amalgams - research that the dental establishment has systematically ignored - and at current scientific findings that can no longer be ignored. It details the link between mercury poisoning and the deteriorating state of the public's health.

It's All in Your Head review – enduring mystery of

Well duh! that's my brain telling me something is wrong. Stupid face.

It's All In Your Head, Alvin Chapter 17: So Let Me Slip

And yet on many occasions I have had patients ask me, "So you're telling me it's all in my head?" The concept of what are now called psychogenic symptoms is a tricky one for various reasons. There is an unfortunate stigma attached to the notion that our brains can cause physical symptoms. Making the diagnosis is complex.

It's All in Your Head | Wellcome Book Prize

I think it will bring hope to those who have been told 'it's all in their head' and encourage them to seek help for some of the deeper roots of their physical problems.

It's All in My Head - thechurchofjesuschrist.org

With chapters named after his most powerful and popular songs, IT'S ALL IN YOUR HEAD will reflect on the lessons he's learned from his career, family, and relationships. He'll push readers to bet on themselves, take those leaps of faith, and recognize struggles as opportunities.

Amazon.co.uk: its all in your head

All I wanted to do was sleep, and my head ached. Throughout the course of the week, I'd been anointed three times by three different ministers, and I really felt that God would be with me. But I just seemed to feel a little worse as each day passed. When I awoke the morning after my bedridden Saturday, I felt well rested enough to attend church. My mother was visiting, so she could help me
