## **Abstract beginnings: Wassily Kandinsky. TASCHEN Books**

Born back in 1985, the Basic Art Series has evolved into the best-selling art book collection ever published. “These seductive books have slick production values, excellent illustrations, and smart texts. Each one is a fast-food, high-energy fix on the topic at hand.”The New York Times Book Review

## **Kandinsky (Basic Art Series) - Guggenheim Store**

Decrying literal representation, Kandinsky emphasized instead the importance of form, color, rhythm, and the artist's inner need in expressing reality. In *Point and Line to Plane*, one of the most influential books in 20th-century art, Kandinsky presents a detailed exposition of the inner dynamics of non-objective painting. Relying on his own
