The are 55 keys of drawing, introduced at a very comfortable pace. Alongside are 48 easy-to-follow lessons. The examples are all sketches from Bert Dodson, his students and selected pieces old art masters. They are all pretty sketchy but this book isn't about techniques on realistic drawings.

Learning to draw: Learning to see: Keys to Drawing – Chapter 7

" Keys to Drawing" by Bert Dodson is one of the first drawing books that I bought after I got back to doing art after a break of over 15 years. It opened my eyes, stimulated my enthusiasm for drawing again and provided me with some really excellent guidelines about what to think about when drawing. My edition is a North Light Books paperback published in 1990. Amazon indicates the current
