Last Boat Out of Shanghai brings a poignant personal angle to the experiences of refugees then and, by extension, today. "Zia's portraits are compassionate and heartbreaking, and they are, ultimately, the universal story of many families who leave their homeland as refugees and find less-than-welcoming circumstances on the other side."—Amy Tan, author of The Joy Luck Club

## **Last Boat Out of Shanghai: The Epic Story of the Chinese**

Last Boat Out of Shanghai is a narrative history of four Chinese during the war years, from the Japanese Invasion in 1937, to the full-blown World War II, to the Civil War between CCP and Chinese Nationalist, later to the Korean War, until the McCarthyism in 1950s. This is a history of survivors of war and exiles who start over again in a new

Last Boat Out of Shanghai ultimately shows that in many cases old ties survived the long decades of Maoist isolation. Shanghai families managed to keep contact with their old city and later, when

### **Bing: Last Boat Out Of Shanghai**

In early May 1949, the World War II transport ship General Gordon was the last boat out of Shanghai, culminating an exodus that sent millions of Chinese to seek refuge throughout the world. In a narrative gleaned from more than 100 interviews, Zia focuses on four exiles whose stories represent "the voices, viewpoints, and character of the Shanghai diaspora."

## **Last Boat out of Shanghai by Helen Zia – gone but never**

Helen Zia, *The Last Boat Out of Shanghai* (Ballantine Books, 2019), 544pp. There are no reliable statistics that record the number of people who left China during the turmoil of the 1940s and 50s. Scholars can only approximate by looking at population changes in the countries that received Chinese immigrants.

## **'Last Boat Out of Shanghai' has four stories at once**

*Last Boat out of Shanghai* is a masterpiece built on hundreds of hours of interviews. It presents the stories of four people as best as they could possibly tell. One consequence is the first half of the book – which takes place in World War II – is more vivid, more interesting and more detailed. I think the reason is a mixture of two facts.
