Llewellyn's 2021 Moon Sign Book

For more than a dozen years, an unassuming, quiet-spoken woman dominated Disney design. The stylishness and vibrant color of Disney films in the early 1940s through mid-1950s came primarily from artist Mary Blair. In her prime, she was an amazingly prolific American artist who enlivened and influenced the not-so-small worlds of film, print, theme parks, architectural decor, and advertising. At its core, her art represented joyful creativity and communicated pure pleasure to the viewer. Her exuberant fantasies brimmed with beauty, charm, and wit, melding a child's fresh eye with adult experience. Blair's personal flair comprised the imagery that flowed effortlessly and continually for more than a half a century from her brush. Emulated by

penguin, the obligatory cow). On the righthand side, there's a week-at-a-glance grid with two generously-sized write-in columns, one for Mom's schedule, one for the family's comings and goings. Section 2 of the desk planner features space for important phone numbers from doctors to school contacts to restaurants. Then there are tear-out grocery and to-do lists, and some extra pages for scribbling down important and/or inconsequential things. And stickers! Put them on special dates, or perhaps use them to lavishly decorate your tax return. After all, Moms need to have fun too."
