Abundance for What?

Argentina boasts one of the most popular, diverse, and successful film industries in Latin America. From early films about gauchos and the tango to human rights dramas and groundbreaking experimental documentaries, Argentina's cinematic output has achieved both global influence and international acclaim. A discriminating survey of the country's key films, *Directory of World Cinema: Argentina* contains provocative essays and astute reviews by scholars, critics, filmmakers, and film buffs. Chapters spotlight, among other subjects, the Buenos Aires film festival and the legacy of such iconic directors as Mar í a Luisa Bemberg and Pablo Trapero. Film reviews examine a cross-section of Argentine cinema, providing critical analysis of everything from contemporary blockbusters to hidden gems. Featuring full-color stills, interviews, references, and trivia, this book is an invaluable resource for readers interested in the fascinating world of Argentine film.

Jewish Currents

This classic collection of essays by Riesman discusses the implications of affluence in America. Riesman maintains that the question that should be raised by wealth has shifted over time from how to obtain wealth to how to make use of it. Another key theme concerns issues relevant to higher education, such as academic freedom. This book examines the notion that America is not as open a society as it may appear to be; it shows how social science may be used to explain why this is so. In a brilliant, lengthy reevaluation Riesman both clarifies and revises that earlier assessment with unusual luster and candor.

Comedian, blogger and essayist Samantha Irby is not going to be a better person this year than she was last. Nope. With a small group of woo-woo others, Irby sets seventy micro-resolutions, and then—with the rest of us—she fails at almost every single one of them. Thoughtful, witty, poignant—the failed intentions in *New Year Same Trash* will make you laugh and cry. Because you know you've been there. You can't wake up in time to go to brunch. Swimming three times a week? Who are you kidding. You're not going to shower every day or pack your lunch every day. You're definitely not going to choose a smart movie over mindless entertainment, because you're tired. You're lazy. And, no, you're never going to be a positive thinker. "I didn't do this. I'm gonna. Maybe." Don't worry. It's okay. There's always next year. Instantly recognizable to anyone who's ever failed to make goals and stick with them, *New Year Same Trash* will bring hilarious relief. A Vintage Shorts Original. An ebook short.

We Are Never Meeting in Real Life

Biblical theology attempts to explore the theological coherence of the canonical witnesses; no serious Christian theology can overlook this issue. The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question. In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete, this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise. Richard B. Hays, George Washington Ivey Professor of New Testament, The Divinity School, Duke University, USA
This volume on biblical theology jumps into the fray and poses the right kind of questions. It does not offer a single way forward. Several of the essays are quite fresh and provocative, breaking new ground (Bray, Reno); others set out the issues with clarity and grace (Bartholomew); others offer programmatic analysis (Webster; Bauckham); others offer a fresh angle of view (Chapman, Martin). The success of this series is in facing the challenge of disarray in biblical studies head-on and then modeling a variety of approaches to stimulate our reflection. Christopher Seitz, Professor of Old Testament and Theological Studies, St. Andrews University, UK

INSTANT NEW YORK TIMES BESTSELLER! In *I ' m Telling the Truth, but I ' m Lying* Bassey Ikpi explores her life—as a Nigerian-American immigrant, a black woman, a slam poet, a mother, a daughter, an artist—through the lens of her mental health and diagnosis of bipolar II and anxiety. Her remarkable memoir in essays implodes our preconceptions of the mind and normalcy as Bassey bares her own truths and lies for us all to behold with radical honesty and brutal intimacy. A *The Root* Favorite Books of the Year • A *Good Housekeeping* Best 60 Books of the Year • A *YNaija* 10 Notable Books of the Year • A *GOOP* 10 New Favorite Books • A *Cup of Jo* 5 Big Books of Fall • A *Bitch Magazine* Most Anticipated Books of 2019 • A *Bustle* 21 New Memoirs That Will Inspire, Motivate, and Captivate You • A *Publishers Weekly* Spring Preview Selection • An *Electric Lit* 48 Books by Women and Nonbinary Authors of Color to Read in 2019 • A *Bookish* Best Nonfiction of Summer Selection "We will not think or talk about mental health or normalcy the same after reading this momentous art object moonlighting as a colossal collection of essays." —Kiese Laymon, author of *Heavy* From her early childhood in Nigeria through her adolescence in Oklahoma, Bassey Ikpi lived with a tumult of emotions, cycling between extreme euphoria and deep depression—sometimes within the course of a single day. By the time she was in her early twenties, Bassey was a spoken word artist and traveling with HBO's *Def Poetry Jam*, channeling her life into art. But beneath the façade of the confident performer, Bassey's mental health was in a precipitous decline, culminating in a breakdown that resulted in hospitalization and a diagnosis of Bipolar II. In *I'm Telling the Truth, But I'm Lying*, Bassey Ikpi breaks open our understanding of mental health by giving us intimate access to her own. Exploring shame, confusion, medication, and family in the process, Bassey looks at how mental health impacts every aspect of our lives—how we appear to others, and more importantly to ourselves—and challenges our preconception about what it means to be "normal." Viscerally raw and honest, the result is an exploration of the stories we tell ourselves to make sense of who we are—and the ways, as honest as we try to be, each of these stories can also be a lie.

Meaty Balls is a thoroughly insightful and equally hilarious collection of essays by Vincent Daniels, whom the Metro Times calls "a welcome addition to the humor genre" and "perfect for fans of David Sedaris". The nature of Daniels' observational and frank humor will be a hit with fans of Jim Gaffigan and Louis C.K. Meaty Balls holds nothing back in its honest, charismatic, and laugh-out-loud discussions regarding life's awkward moments, glorious mishaps, and shameless victories. Daniels recounts drunken barbecues with ex-in-laws, golf club assaults, court battles for corn dogs, a treasure-hoarding centenarian's birthday party, a funeral for a stripper's church-going brother, and a run-in with his doppelganger. In between such expositions, Daniels tackles hearty topics such as his summary on the F-word, rant on attractive people, and guide to office laziness. He finds humor in tender subjects, like the coveted snacks his father wouldn't share and his penchant for being accosted by strangers.

In 1933, Northrop Frye was a recent university graduate, beginning to learn his craft as a literary essayist. By 1963, with the publication of *The Educated Imagination*, he had become an international academic celebrity. In the intervening three decades, Frye wrote widely and prodigiously, but it is in the papers and lectures collected in this installment of the *Collected Works of Northrop Frye*, that the genesis of a distinguished literary critic can be seen. Here is Frye tracing the first outlines of a literary cosmology that would culminate in *The Anatomy of Criticism* (1958) and shape *The Great Code* (1982) and *Words with Power* (1990). At the same time that Frye garnered such international acclaim, he was also a working university teacher, lecturing in the University of Toronto's English Language and Literature program. In her lively introduction, Germaine Warkentin links Frye's evolution as a critic with his love of music, his passionate concern for his students, and his growing professional ambition. The writings included in this volume show how Frye integrated ideas into the work that would consolidate the fame that *Fearful Symmetry* (1947) had first established.

Brief Essays on New Fruits, Ornamental Trees and Plants

Birth control. Body hair removal cream. Boobs. It's all weird, but also pretty normal. Navigating racial identity, gender roles, workplace dynamics, and beauty standards, Mia Mercado's hilarious essay collection explores the contradictions of being a millennial woman, which usually means being kind of a weirdo. Whether it's spending \$30 on a candle that smells like an ocean that doesn't exist, offering advice on how to ask about someone's race (spoiler: just don't, please?), quitting a job that makes you need shots of whiskey on your lunch break, or finding a more religious experience in the skincare aisle at Target than your hometown Catholic church, Mia brilliantly unpacks what it means to be a professional, absurdly beautiful, horny, cute, gross human. Essays include: * Depression Isn't a Competition but Why Aren't I Winning? * My Dog Explains My Weekly Schedule * Mustache Lady * White Friend Confessional * Treating Objects Like Women With sharp humor and wit, Mia shares the awkward, uncomfortable, surprisingly ordinary parts of life, and shows us why it's strange to feel fine and fine to feel strange.

The Mennonite Quarterly Review

New Year, Same Trash

In these impassioned, powerful essays, an award-winning journalist deals forthrightly with what it means to be Black in Trump ' s America. South Carolina – based journalist Issac J. Bailey reflects on a wide range of complex, divisive topics—from police brutality and Confederate symbols to respectability politics and white discomfort—which have taken on a fresh urgency with the protest movement sparked by George Floyd ' s killing. Bailey has been honing his views on these issues for the past

quarter of a century in his professional and private life, which included an eighteen-year stint as a member of a mostly white Evangelical Christian church. *Why Didn't We Riot?* speaks to and for the millions of Black and Brown people throughout the United States who were effectively pushed back to the back of the bus in the Trump era by a media that prioritized the concerns and feelings of the white working class and an administration that made white supremacists giddy, and explains why the country's fate in 2020 and beyond is largely in their hands. It will be an invaluable resource for the everyday reader, as well as political analysts, college professors and students, and political consultants and campaigns vying for high office.

The Little Virtues

An inventive new collection from the author of *Hydroplane* and *The End of Free Love* * A San Francisco Chronicle, Complex, Flavorwire, Vol. 1 Brooklyn, Largehearted Boy and Slaughterhouse 90210 Best Book of the Year * In these innovative linked stories, women confront loss and grief as they sift through the wreckage of their lives. In the title story, a woman struggles with the death of her friend in a plane crash. A daughter decides whether to take her father off life support in the Pushcart Prize-winning "Cowboys." And in "Underthings," when a man hits his girlfriend, she calls it an accident. *Spectacle* bears witness to alarming and strange incidents: carnival rides and plane crashes, affairs spied through keyholes and amateur porn, vandalism and petty theft. These wounded women stand at the edge of disaster and risk it all to speak their sharpest secrets. In lean, acrobatic prose, Susan Steinberg subverts assumptions about narrative and challenges conventional gender roles. She delivers insight with a fierce lyric intensity in sentences shorn of excessive sentiment or unnecessary ornament. By fusing style and story, Steinberg amplifies the connections between themes and characters so that each devastating revelation echoes throughout the collection. A vital and turbulent book from a distinctive voice, *Spectacle* will break your heart, and then, before the last page is turned, will bind it up anew. "Experimental but never opaque, Steinberg's stories seethe with real and imagined

menace." —Publishers Weekly

Women Artists in the United States

Former Senior Editor for Gothamist Rebecca Fishbein 's adult life has been a dramatic reflection of New York media itself—constantly evolving in unexpected ways and seemingly always on the edge of disaster. In short, Rebecca has seen it all—from 3 bedbug infestations, to being fired, to being yelled at while working at American Apparel, to losing all her stuff in a freak fire, to being bullied online by angry Taylor Swift fans. But the real humor and meat of the collection come from Rebecca's unwavering honesty and unflinching examination of her struggles with alcohol, anxiety, depression, compulsive lying, female beauty standards, and a slew of failed coworker/roommate/friend semi-relationships are dark, insightful, and hilarious. As Jia Tolentino commented, the era of the personal essay ended with the election—this is not your grandmother's millennial essay collection. Rebecca ' s writing is relatable without being preachy and conveys a message of resilience by example, not by moral. Readers will recognize the world they themselves see—a disastrous president and a scary socioeconomic landscape—in Becca ' s writing and find comfort in her humor and a snarky but incisive friend in her writing.
