Mike Nichols: A Life reads much faster than

Free Reading Mike Nichols A Life

its 600-page length would suggest, as Harris's crisp, funny, empathetic prose essentially glides one through Nichols's life and career. In fact, this polish is redolent of a Nichols film, which means that you may wonder what else might have been revealed had more space been made for gritty details. Nichols's early brush with whooping cough

Review: 'Mike Nichols: A Life,' a biography by Mark Harris

In author Mark Harris's Mike Nichols: A Life, Harris said the Oscar-winning director of The Graduate 'had been using cocaine regularly for some time and had been known to use crack, too,' according

'Mike Nichols' Captures a Star-Studded Life That Shuttled

"The film became not only an instant hit," Mark Harris writes in his new biography, "Mike Nichols: A Life," "but a cultural milestone that was widely seen as Hollywood's first great exploration of

Mike Nichols's Brilliant Career - The New York Times

"Mike Nichols: A Life" is more the story of a career than a life, of a man who so feared downtime he cluttered it with showplace apartments, country squire estates, Arabian horses and, predictably, trophy spouses. And the critical bead on him got drawn early: He "imparts muscle to what he touches but not soul," said one of his first critics, and as many have noted since, his movies are

Book excerpt: "Mike Nichols: A Life" by Mark Harris - CBS News

Nichols loved life's finer things. Successful as Nichols was on the screen and stage (7 Tony Awards as director), failure is a constant in this remarkable book. While it's easy as a film fan

Mike Nichols: A Life – an epic biography his artistic life

Boy, Mike Nichols glittered. His name was in lights on Broadway as a great theater director, on movie marquees as a filmmaker, a striking creative force from his time at the Chicago improv stage

Mike Nichols: A Life: Harris, Mark: 9780399562242: Amazon

Wunderkind Mike Nichols burst onto the scene in his early 20s as half of a hit improv duo with Elaine May, then went on to direct four consecutive hit plays, win back-to-back Tonys, and usher in a new era of cinema with Who's Afraid of Virginia Woolf? and The Graduate. Mark Harris gives an accounting of this complicated and consequential figure.
