### Memoir | Open Book

The funny thing about memoir is that it is not the story of your life. It is true that memoir deals with and includes stories from the author's life, but therein lies the distinction. For while autobiography August 14, 2020. Portrait of a Woman Flying. María was seven years old on her first day of work, the morning her father left her in Mexico City at a large house with tall ceilings

### Bing: Open Book A Memoir

The main differences between a biography, autobiography, and memoir are who is writing the book and what is its purpose. Thus, it's important to know why you are writing the book as soon as possible, and not to wait until you've reached the important step of editing your non-fiction work! Here are some of the crucial ways to tell a biography, autobiography, and memoir apart, and how to
