Two masters of offbeat Internet humor combine the mindless fun of children's coloring books and the hilariously soul-crushing realities of modern adult life With over 150 videos and 65 million Youtube views to their credit, Ryan Hunter and Taige Jensen know how to make people laugh. Their YouTube video, "Hipster Olympics" racked up nearly three million hits and quickly attained worldwide cult status amongst both the cool crowd (and those who like to poke fun at them). Their recent hit "The Walken Dead" was viewed over 600,000 times in less than three weeks. Now, the duo put their prolific creative talents to work in Coloring for Grown-Ups. The artwork may resemble that of a children's activity book, but look closer. Offering an ironic look at the stereotypes, habits, and challenges of modern adulthood, Coloring for Grown-Ups includes:

- The 6 Steps to Abandoning Your Hopes
