## Photojournalism The Professionals Approach

Photojournalism: The Professionals' Approach, simply put, is just awesome. It's a rather large book measuring 8.5" by 11", but it's incredibly well constructed and the pages feature high quality prints of full-color and black-and-white images.

## Photojournalism: The Professionals' Approach: Kobre

Photojournalism is a particular form of journalism (the collecting, editing, and presenting of news material for publication or broadcast) that employs images in order to tell a news story. It is now usually understood to refer only to still images, but in some cases the term also refers to video used in broadcast journalism. Photojournalism is distinguished from other close branches of

This edition features updates on social media in photojournalism, shooting video on smart phones, and the use of drones to cover the news.

## Photojournalism, Sixth Edition: The Professionals

I read Kenneth Kobr é 's "Photojournalism: The Professional's Approach" a few years back when I was an enthusiastic amateur photographer. Kobr é 's love of his profession shines through everywhere in the book. His gritty description of the life of a photojournalist actually made me consider a career change and a life as a photographer.
