9 Best Piano Books For Self Teaching - Joshua Ross

I don't know that Alfred's course, but my suspicion is that it's quite close in style to PA and would be a good book for an adult beginner. I much prefer the intervallic approach to learning to read music - it avoids the understanding problems that are quite common in learners who use books centred around middle c, like me and my piano.

Best Piano Books For Beginner Adults - A Fun Way To Learn

Piano books for beginner adults are very popular for new pianists. When I started taking piano lessons at the age of 9, I did not enjoy the kid's books. I found the song selection to be very boring and it made me want to learn outside of piano lessons.
