## **10 Tips: Restoring vs. Rehabilitating Your Historic House**

Although there are other books about renovating old houses, this is the first that prioritizes the identification and preservation of the historic, character-defining features of a house as a starting point in the process. That is the purpose of this book: to describe and illustrate a best-practices approach for updating historic homes for modern life in ways that do not attempt to turn an old

## **Restoring Your Historic House – Dave Clough Photography**

Can an old house be comfortable, convenient and energy-efficient while retaining its historic features? You bet it can, and Restoring Your Historic House shows how. Whether your historic house is Colonial, Victorian, Craftsman or Mid-Century Modern, its character-defining features—windows, moldings, shapes and finishes—make it distinctive and special, and preserving those features should be a top priority when you adapt the house to modern life.
