### Rod: The Autobiography By Rod Stewart | Used

Rod: The Autobiography (Crown) is a warm, roguish reminiscence. More playful than Townshend's at times ponderous *Who I Am* and far more insightful than Young's numbing *Waging Heavy Peace*, Stewart's memoir has much of the joyful, big-hearted raffishness of the singer's classic early '70s recordings.

### Rod: The Autobiography, Stewart, Rod, New, Book

The long-awaited autobiography of one of rock's true megastars. Rod Stewart was born the working-class son of a Scottish plumber in North London. Despite some early close shaves with a number of diverse career paths, ranging from gravedigging to professional football, it was music that truly

### Rod: The Autobiography by Rod Stewart | review | Music

Rod Stewart's no-holds-barred autobiography "Rod" proves beyond all doubt that Blonds really do have more fun. It's a memoir breathtaking in its honesty - filled with revealing anecdotes and vignettes - some none too flattering to the author. They say a gentleman doesn't kiss and tell but that was before Rod wrote this book. Stewart recounts many humorous incidents including an embarrassing

### Rod: The Autobiography, Stewart, Rod, New Book

Love Rod Stewart and have always loved his sense of humour which makes the book such a great read. I had read biographies on Rod before but this book tells the inside truth from the only person who really knows. Perhaps I'm a little biased as I'm such a big fan but this is a book I just couldn't put down and

there were many laugh out load bits.

### Rod the Autobiography by Rod Stewart - AbeBooks

And Rod has the gift of writing as if he is writing purely for you, the reader - not his masses of fans etc - just you. That is a special gift. And it's quite a tale - what a fantastic life Rod has had - the music, the women, the cars, the football, the drink. In my next life I think I'll come back as Rod Stewart.

### Rod: The Autobiography eBook by Rod Stewart

Rod: The Autobiography (Crown) is a warm, roguish reminiscence. More playful than Townshend's at times ponderous Who I Am and far more insightful than Young's numbing Waging Heavy Peace, Stewart's memoir has much of the joyful, big-hearted raffishness of the singer's classic early '70s recordings.

### Rod: The Autobiography by Rod Stewart - Goodreads

The extraordinary life and career of music legend Rod Stewart, in his own words for the first time. With his soulful and singular voice, narrative songwriting, and passionate live performances Rod Stewart has paved one of the most iconic and successful music careers of all time.
