Virtual Room Designer - Design Your Room in 3D | Living Spaces

To create a custom room shape, you first need to select “Free-form” from the room shapes under the “Start” tab. A grid will appear where you can draw in the outline of your bathroom. Click on the starting point and use drag & drop to draw the line in the desired direction. As soon as you let go of the line, a wall will be drawn. Repeat this process until you get back to the starting point.
