The Red Record of the Sioux; Life of Sitting Bull and History of the Indian War of 1890-91 Story of the Sioux Nation: Their Manners and Customs, Ghost Dances and Messiah Craze by W. Fletcher Johnson

In this book, readers learn about Sitting Bull, the well-known Native American chief, how he united the Lakota Sioux in the northern Great Plains and led a mighty resistance of tribes who refused to be placed on reservations.

The Lance and the Shield

The author of Terror of the Spanish Main discusses the life of the Hunkpapa chief who is remembered for his defeat of General Custer at Little Big Horn.

Sitting Bull

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Red Record of the Sioux

Sitting Bull and the Paradox of Lakota Nationhood

Traces the story of Sitting Bull and his conflict with Indian Agent James McLaughlin as both both men tried to represent their two nations as their cultures clashed.

Sitting Bull

Life of Sitting Bull and History of the Indian War of 1890-91

The Last Sovereigns is the story of how Sioux chief Sitting Bull resisted the white man's ways as a last best hope for the survival of an indigenous way of life on the Great Plains—a nomadic life based on buffalo and indigenous plants scattered across the Sioux's historical territories that were sacred to him and his people. Robert M. Utley explores the final four years of Sitting Bull's life of freedom, from 1877 to 1881. To escape American vengeance for his assumed role in the annihilation of Gen. George Armstrong Custer's command at the Little Bighorn, Sitting Bull led his Hunkpapa following into Canada. There he and his people interacted with the North-West Mounted Police, in particular Maj. James M. Walsh. The Mounties welcomed the Lakota and permitted them to remain if they promised to abide by the laws and rules of Queen Victoria, the White Mother. But the Canadian government wanted the Indians to return to their homeland and the police made every effort to persuade them to leave. They were aided by the diminishing herds of buffalo on which the Indians relied for sustenance and by the aggressions of Canadian Native groups that also relied on the buffalo. Sitting Bull and his people endured hostility, tragedy, heartache, indecision, uncertainty, and starvation and responded with stubborn resistance to the loss of their freedom and way of life. In the end, starvation doomed their sovereignty. This is their story.

Ree Horse Race

A biographical look at the childhood of Sitting Bull, one of the greatest Sioux warriors to fight against the white man.

The Story of Sitting Bull

The Sitting Bull Surrender Census

Introduces the life of Lakota Sioux warrior and holy man Sitting Bull, who led his people to victory at Little Bighorn and brought them to safety in Canada before surrendering so that they would not starve.

Life of Sitting Bull

Army scout, buffalo hunter, Indian fighter, and impresario of the world-renowned "Wild West Show," William F. "Buffalo Bill" Cody lived the real American West and also helped create the "West of the imagination." Born in 1846, he took part in the great westward migration, hunted the buffalo, and made friends among the Plains Indians, who gave him the name Pahaska (long hair). But as the frontier closed and his role in "winning the West" passed into legend, Buffalo Bill found himself becoming the symbol of the destruction of the buffalo and the American Indian. Deeply dismayed, he spent the rest of his life working to save the remaining buffalo and to preserve Plains Indian culture through his Wild West shows. This biography of William Cody focuses on his lifelong relationship with Plains Indians, a vital part of his life story that, surprisingly, has been seldom told. Bobby Bridger draws on many historical accounts and Cody's own memoirs to show how deeply intertwined Cody's life was with the Plains Indians. In particular, he demonstrates that the Lakota and Cheyenne were active cocreators of the Wild West shows, which helped them preserve the spiritual essence of their culture in the reservation era while also imparting something of it to white society in America and Europe. This dual story of Buffalo Bill and the Plains Indians clearly reveals how one West was lost, and another born, within the lifetime of one remarkable man.

Sitting Bull

Sitting Bull (c. 1831 – 1890) was one of the greatest Lakota/Sioux warriors and chiefs who ever lived. From Sitting Bull's childhood—killing his first buffalo at age 10—to being named war chief to leading his people against the U.S. Army, *Sitting Bull: Lakota Warrior and Defender of His People* brings the story of the great chief to light. Sitting Bull was instrumental in the war against the invasive wasichus (white men) and was at the forefront of the combat, including the Battles of Killdeer Mountain and the Little Bighorn. He and Crazy Horse were the last Lakota/Sioux to surrender their people to the U.S. government and resort to living on a reservation. The book includes an extensive author's note and timeline, historical photographs, a map, a bibliography, endnotes, and an index.

Sitting Bull, Prisoner of War

"If that is Long Hair, I am the one who killed him," White Bull, the young nephew of Sitting Bull, said when Bad Juice pointed out Custer's body immediately after the Battle of the Little Big Horn. Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill's Wild West Show as "the warrior who killed Custer." But this new edition of Stanley Vestal's classic biography of the famous chief emphasizes that "Sitting Bull's fame does not rest upon the death of Custer's five troops. Had he been twenty miles away shooting antelope that morning, he would still remain the greatest of the Sioux." The stirring account of the death throes of a mighty nation and its leader is the story of the "greatest of the Sioux" and his struggle to keep his people free and united. The Sioux were formidable warriors, as attested to by men who fought against them, like General Anson Mills, who said, "They were the best cavalry in the world; their like will never be seen again," but they were up against an overwhelming tide of soldiers, homesteaders, and bureaucrats. Sitting Bull fought long and hard and "He was a

statesman, one of the most farsighted we have had," but statesmanship could not prevail against such odds. This powerful biography of Sitting Bull is brought to a new generation of readers in h a new and expanded edition, for much new material had been added to the original edition (published in 1932) that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people's rights.

Sitting Bull

Life and Death of Sitting Bull

The definitive, award-winning biography of the legendary chief and his dramatic role in the history of westward expansion Reviled by the United States government as a troublemaker and a coward, revered by his people as a great warrior chief, Sitting Bull has long been one of the most fascinating and misunderstood figures in American history. Distinguished historian Robert M. Utley has forged a compelling portrait of Sitting Bull, presenting the Lakota perspective for the first time and rendering the most unbiased, historically accurate, and vivid portrait of the man to date. The Sitting Bull who emerges in this fast-paced narrative is a complex, towering figure: a great warrior whose skill and bravery in battle were unparalleled; the spiritual leader of his people; a dignified but ultimately tragically stubborn defender of the traditional ways against the steadfast and unwelcome encroachment of the white man.

Sitting Bull

This is a new release of the original 1931 edition.

To See with the Heart

Profiles the Native American leader who is best known for his role in the Battle of Little Bighorn, discussing his childhood, family life, participation in the Sioux Nation, and conflicts with the United States government.

Seeing the Future

At the centre of a dramatic and absorbing story is the flesh-and-blood Sitting Bull - a leader of his people and a man of rare complexity. Yet to the US Government he was merely an obstacle: one of the last troublesome remnants of resistance to the white man's inexorable westward expansion.

Our Hearts Fell to the Ground

In this biography, Gary Anderson chronicles the life of the renowned victor of the Battle of Little Big Horn, legendary Lakota Chief Sitting Bull. For many decades, historians have chalked up the results of Little Big Horn to Colonel's Custer's faulty strategy of attack, and remember Sitting Bull as the lame duck leader who triumphed only because of Custer's mishap. Gary Clayton Anderson, in this riveting biography, reveals a new interpretation of this crucial conflict on the high plains. The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where figures in history are explored. Paperback, brief, and inexpensive, each interpretive biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life. In addition, each biography relates the life of its subject to the broader themes and developments of the times.

Life of Sitting Bull and History of the Indian War of 1890-91 A Graphic Account of the of the Great Medicine Man and Chief Sitting Bull; His Tragic Death

Simple text and photographs introduce the life of Sitting Bull, a Lakota chief who helped plan the battle of Little Bighorn and later traveled with Buffalo Bill's Wild West Show.

Sitting Bull

Never-before published census taken in 1881

Sitting Bull

Excerpt from Life of Sitting Bull: And History of the Indian War of 1890-'91 The name of Sitting Bull must be as famous as that of Tecumseh, of Red Cloud, as that of Black Hawk or Massasoit. The Sioux massacres of 1862, make Wyoming seem commonplace, and the last rally of Custer at the Little Big Horn fight has no parallel in all the annals of our Indian wars. Nor is the long drama drawn to an unworthy close by the weird Ghost Dances, the death of Sitting Bull and the mad slaughtering at Wounded Knee. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Sitting Bull

Sitting Bull

Explores the life of the Lakota leader, Sitting Bull, including the battles in which he fought, his surrender and death. Includes activities, sidebars, a map, and a chronology.

The Red Record of the Sioux

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Sitting Bull, 1831-1890

Born in South Dakota in 1831, Sitting Bull was given his father's name after killing his first buffalo as a teenager. Sitting Bull witnessed the downfall of his people's way of life after the California gold rush of 1849 and the opening up of the West by the railroad. After he was wounded in battle, his views hardened about the presence of whites in Sioux land. He began to assume an uncompromising militancy that would characterize the rest of his life. Developing into one of the most important of chiefs, Sitting Bull was able to unite a multitude of Sioux bands and other tribes at his camp, which continually expanded as the tribes sought safety in numbers. It was this camp that General George Armstrong Custer found on June 25, 1876, when he led the 7th Cavalry advance party to the Little Big Horn River. Sitting Bull, who had seen a vision of this attack during a tribal dance, and his people were able to defeat Custer and his men, but their victory was short-lived as thousands more outraged soldiers pursued the Sioux, forcing their surrender. This brave warrior was finally brought down in 1890 by tribal police who had been sent to arrest him. In *Sitting Bull*, read about a man who refused to back down from his convictions, even when they brought him face to face with the United States Cavalry.

The Last Sovereigns

This unique anthology chronicles the Plains Indians' struggle to maintain their traditional way of life in the changing world of the nineteenth century. Its rich variety of 34 primary sources - including narratives, myths, speeches, and transcribed oral histories - gives students the rare opportunity to view the transformation of the West from Native American perspective. Calloway's comprehensive introduction offers crucial information on western expansion, territorial struggles among Indian tribes, the slaughter of the buffalo, and forced assimilation through the

reservation system. More than 30 pieces of Plains Indian art are included, along with maps, headnotes, questions for consideration, a bibliography, a chronology, and an index.

New York Magazine

A graphic account of the life of the Great Medicine Man and Chief Sitting Bull. His tragic death, story of the Sioux nation, their manners and customs ghost dances and Messiah craze also a very complete history of the sanguinary Indian war of 1890-91

Life of Sitting Bull

Sitting Bull was a powerful Hunkpapa Lakota Indian Chief who--along with the Lakota Indians and other nearby tribes--was involved in brutal battles with the United States over land issues. All tribes that were fighting to avoid the reservation eventually surrendered, and the Lakota people were no exception.

Sitting Bull

The Last Sovereigns is the story of how Sioux chief Sitting Bull resisted the white man's ways as a last best hope for the survival of an indigenous way of life on the Great Plains—a nomadic life based on buffalo and indigenous plants scattered across the Sioux's historical territories that were sacred to him and his people. Relates the fate of Sitting Bull and the Sioux after the Battle of the Little Big Horn, when they were relocated to Canada

Sitting Bull

"I Am Looking to the North for My Life"--Sitting Bull, 1876-1881

In graphic art format, presents the life of Sitting Bull the chief of the Sioux Indians.

Sitting Bull in His Own Words

The award-winning author of Crazy Horse presents a meticulously researched portrait of the legendary Sioux warrior, describing not only his skill in battle, but also his roles as a clever negotiator, compassionate leader, family man, and showman.

The Last Sovereigns

A biography of the great defender of the Sioux Nation describes Sitting Bull's childhood bravery, his participation at age fourteen in the raid on a Crow tribe, and his attempts to help his people retain their rightful land: the Great Plains

Sitting Bull

An account of the life of Sitting Bull, including his nomadic childhood, how he became the chief of the entire Sioux Nation, and his role at the Battle of Little Bighorn.

Sitting Bull

Using primary sources, historic prints, and photographs, profiles the brave warrior whose accomplishments and actions brought him a place in American history.

Sitting Bull and His World

Documents the life of Sitting Bull, from his youth as a warrior and rise as a tribal elder to his failed efforts to save the Lakota's land and

culture through nonviolence and negotiations.

Sitting Bull

After his surrender at Fort Buford in what is now North Dakota, the United States Army transported Sitting Bull and his followers down the Missouri River to Fort Randall, roughly seventy miles west of Yankton. There the famed Hunkpapa leader remained for twenty-two months, until September 1883. During that year and a half, Sitting Bull conducted tribal business, met with dignitaries and visitors, and interacted with those who imprisoned him. Dennis Pope has written a dramatic account of that time and those relationships, taking the reader inside Sitting Bull's camp to see the day-to-day reality of captive life for this powerful man and his people.
