With the latest guidance on every aspect of practice, The Architect ' s Handbook is an essential resource. From emerging professional to firm owner, it helps architects at any career stage stay on top of business, legal and technical trends. Its comprehensive coverage has made it the industry standard. What's new in the 15th edition

The Architect's Handbook of Professional Practice: Amazon.co.uk: American Institute of Architects: 9780470009574: Books

The handbook describes why architects are uniquely qualified to make important professional contributions in the political area. The recognition that a political dimension exists in architectural practice is an important first step for the AIA, and I applaud them for including it in the handbook." (The Architect ' s Newspaper; Dec 2008)
