Way é tu Moore Escapes a Civil War in Liberia. In America

The Dragons, The Giant, The Women by Way é tu Moore (Graywolf) Moore opens her unconventional, deftly crafted debut memoir—it follows her 2018 fiction debut, She Would Be King—amid the war in Liberia as she experienced it at the age of five. Though little known here, the Liberian civil war raged from 1989 until 1997 and took the lives about 250,000 people; part of the importance of Moore

The 200ft Welsh dragon set to become the tallest sculpture

The Dragons, the Giant, the Women is a deeply heartfelt and lyrical memoir. Way é tu Moore's luminous prose conveys the horrors of the First Liberian Civil War through the uncomprehending eyes of a child. At the age five Moore 's existence is irrevocably altered. Her family is forced to flee their home in Monrovia.
