Working with different illustrators is part of my role at Design Bridge, and I find that these collaborations often help push our brand and packaging design projects in new directions, and bring a uniqueness to our work. Along the way, I ' m learning that there ' s a fine art to a successful collaboration.

University of the Arts London

Perhaps the most fundamental difference between art and design that we can all agree on is their purposes. Typically, the process of creating a work of art starts with nothing, a blank canvas. A work of art stems from a view or opinion or feeling that the artist holds within him or herself.
