### The Night Stalkers White House

"Secret Armies" by John L. Spivak. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

### Dangerous Rebellions

### The International Magazine of Literature, Art, and Science

Drawing on private White House documents and interviews with participants and eyewitnesses, the author of *A Death in Jerusalem* explores the personal dynamics and historical events that were shaped by White House marriages over the course of twelve administrations, from Edith and Woodrow Wilson to George W. and Laura Bush. 100,000 first printing.

The United States is thrown into turmoil by a traitorous President trying to deceive everyone including his allies in the UN with intentions of bringing those supposedly arrogant countries to their knees and appease his dead father's wishes. Enforcing martial law with the help of UN troops he is unable to capture the whole nation before military leaders mount a coup and push him out of the white house and into the North Eastern states behind the lines of martial law. In the middle of the lies and deceit a beacon of truth, Media Entertainment Network, becomes the premier news source in hopes to help shed the light on the former President's real intentions. An appointed President tries to rally the troops and get the nation behind him but the nation is already split and the efforts may prove to be futile. Another angle is at play though, as people are starting to hear a voice out of nowhere. Some will listen to the voice and heed the warning as others will choose to ignore it. At the brink of chaos when all is said and done, who will listen and who will not, may change the course of the world.

### Tsavo Dreams

CAN TOM UNLOCK THE SECRETS FROM THE PAST, TO SAVE THE FUTURE? With Blood Prize, Ken Grace has crafted a masterful, high-stakes story of absolute imagination. Thrilling action, gripping suspense and a devastating secret, ensure a breath-taking adventure that is impossible to put down. It's 5am and Tom Fox is running, trying to save his life, but he can't escape the images that revisit his mind; vivid pictures of a woman with her throat torn open and the mutilation of a young man in a back alley of London. Tom is on everyone's most wanted list, yet he's no felon. He flees, hunted like his father for what he knows. If Tom is to survive, he must locate an alien technology called the Prize, before it falls into the hands of the despots who are chasing him and leaves the world irretrievably altered.

### Capital Budgeting and Leasing

Where vacations become adventures! The Hidden series combines descriptive reviews of little-known sights, small inns, and local restaurants with outdoor adventures and "hidden" locales to provide travelers alternatives to ordinary vacations. The goal of each title is to offer the traveler an authentic experience of local culture.

## Memoirs of a Muppets Writer

### Truman

Now including an excerpt from *THE DEVIL'S MERCEDES: The Bizarre and Disturbing Adventures of Hitler's Limousine in America* by Robert Klara. Coming March 2017. Critically acclaimed author Robert Klara leads readers through an unmatched tale of political ambition and technical skill: the Truman administration's controversial rebuilding of the White House. In 1948, President Harry Truman, enjoying a bath on the White House's second floor, almost plunged through the ceiling of the Blue Room into a tea party for the Daughters of the American Revolution. A handpicked team of the country's top architects conducted a secret inspection of the troubled mansion and, after discovering it was in imminent danger of collapse, insisted that the First Family be evicted immediately. What followed would be the most historically significant and politically complex home-improvement job in American history. While the Trumans camped across the street at Blair House, Congress debated whether to bulldoze the White House completely, and the Soviets exploded their first atomic bomb, starting the Cold War. Indefatigable researcher Robert Klara reveals what has, until now, been little understood about this episode: America's most famous historic home was basically demolished, giving birth to today's White House. Leaving only the mansion's facade untouched, workmen gutted everything within, replacing it with a steel frame and a complex labyrinth deep below ground that soon came to include a top-secret nuclear fallout shelter. The story of Truman's rebuilding of the White House is a snapshot of

## Read Book Online The Hidden White House Harry Truman And The Reconstruction Of America S Most Famous Residence

postwar America and its first Cold War leader, undertaking a job that changed the centerpiece of the country's national heritage. The job was by no means perfect, but it was remarkable—and, until now, all but forgotten.

### The International Monthly Magazine of Literature, Science, and Art

When Lucas and Niara first became friends when he was just a toddler, he could never have imagined the adventures they would go on, or the ways they would change each other's lives. Lucas is a typical ten year old boy, who for as long as he can remember, has had a pet elephant no one else can see. It isn't until the night before his first day of fourth grade he realizes how real she truly is, when he starts visiting her in Africa almost every night in his dreams. Struggling with being teased at school, his visits to Africa become a welcome escape, but as he spends more time there he finds out there are much bigger problems on the other side of the world. Tsavo Dreams is a story about how the unconditional friendship of two friends can overcome anything. That just because you're a kid, it doesn't mean you can't change the world around you and make it a better place.

### The Roosevelts

### Shepherds Voice

Because of the power-fearing drafters of the U.S. Constitution, the president's tools for influencing Congress are quite limited. Presidents have had to look beyond the formal powers of the office to push a legislative agenda. In *Between the Branches*, a book of unprecedented depth, Kenneth Collier traces the evolution of White House influence in Congress over nine administrations, from Eisenhower to Clinton. It will enlighten students of the presidency, Congress, and all those interested in American politics.

### Public Papers of the Presidents of the United States

From its early days, one of the most influential forces in America has been Rock & Roll. Born in the late 1940's, Rock and Roll's popularity rapidly grew among the younger generation. In the 1950's, Elvis Presley exploded on the national scene. At the same time, Black singers like Ray Charles, Little Richard and Chuck Berry were gaining in popularity. Rock and Roll was on the way to changing America's culture. In the early 1960's The Beatles led the British Invasion and changed the world. Music merged with politics and nothing's been the same.

### At Arms

The novel is divided into two basic parts: 1) A narrator tells the story of Anna and Lucia two girls of Italian origin, who after spending a childhood and a peaceful and happy childhood in Borneo discovered a love affair between their parents, so disgusted, they decide to leave and reach Italy. Here find a very closed society, resulting in great difficulty in entering and get to know people. However, they manage to

## Read Book Online The Hidden White House Harry Truman And The Reconstruction Of America S Most Famous Residence

find a permanent job, but it soon proves a real torture. They are also able to find a partner, but with the help of a marriage agency. Here begin the visits to some of the most important places and monuments of Sicily, but also of Rome, Florence and Venice, where Anna spends her honeymoon. This is illustrated by several images and accurate historical reconstructions. When for the two friends finally everything seemed to go for the best, something happens In this first part, which can be defined a fable with a final suspense, however, are treated different topics of scientific, philosophical, architectural and cultural heritage. The moral of this story is designed to highlight the importance of education and wisdom handed down by our predecessors.2) The narrator of this romance is in a state of suffering for the ills of society and human weaknesses that are highlighted in an exaggerated way in this second part, which is characterized by mental ravings and tragicomic adventures that lead to an escape from the world of work and his vain attempt to move away completely from these diseases leading to a final surreal.

### Comrade Obama Unmasked

Third-Party Trump Card is the story of two Cuban Americans, Rick Torres and Vic Flores, who after rising to the highest levels of political power in the United States, believe they have the trump card to beat the Electoral College to win the American Presidency. As presidential candidates the two amigos consequently form a "survivor" pact in which they promise not to outvote each other in the Republican primaries. To further secure his presidential winning bid, Torres involves former New York mayor and business tycoon Steve Trumberg in a third-party scheme which he believes will guarantee him a surefire win against his Democratic opponent and hot favorite Jackie Sisano. Events take on many unexpected twists and turns, and Torres's third-party trump card plot gets lost in a number of ensuing card reshuffles.

This leads to the most inconceivable and dramatic house of cards presidential election ever envisaged.

### Hidden Florida

Brianna has longed for a life with more meaning and more purpose. What truly makes her soul come alive is music, but her life is full of laundry and dishes. One night her life is ripped apart by a fire in her village. With no family, no home, and no food, she must learn to survive on her own. But deep in her soul, anger is kindled against the Holy One for bringing so much pain into her life. Brianna sets off on an adventure that will ultimately bring her to the Hall of Minstrels, the heart of music in the kingdom, but all she ends up with is a pile of laundry and a stack of dishes. When life seems to have reached its dullest point and nothing really matters anymore, then the Holy One may pour destiny on our souls and overflow our lives with purpose and love. Then we realize that we don't have to know all of the answers to all of the questions, to know that the Holy One cares for us.

### Blood Prize

World War II was roaring to a climax. Harry Truman was meeting with the speaker of the House of Representatives and his old friend Sam Rayburn when he was called to the White House: Franklin

## Read Book Online The Hidden White House Harry Truman And The Reconstruction Of America S Most Famous Residence

Roosevelt was dead. Truman was now faced with more problems and decisions than any other leader in American history. While American, British, and Russian armies were smashing into the heart of Nazi Germany and American troops were fighting a ferocious battle with the Japanese in the Pacific, Harry Truman took the oath of office, swearing to "protect and defend the Constitution of the United States." Suddenly - in the middle of a global war - he had become president of the most powerful nation in the world. Raised in Missouri, the son of a farmer, Truman was destined to make history. After distinguishing himself as an Army captain in World War I, Truman went on to become a judge, a senator, and the vice president before assuming the office of the thirty-third president of the United States. After a forceful victory in the war that raged almost five years, he then served the nation in the tumultuous years that followed: implementing the Marshall Plan, helping to create NATO, ordering the Berlin airlift, and courageously defending freedom in Korea. New York Times bestselling historian and novelist Thomas Fleming, an intimate of Truman and his family, provides a rare glimpse into the life and spirit of a leader often ridiculed for his "just folks" style and modesty but who surprised his critics with his direct and tenacious decision making - and in the process became one of America's greatest presidents.

### Accidental Presidents

America's Survival, Inc. has assembled some of the best investigative reporters and researchers in America to present their definitive analysis of the forces of revolutionary Marxism, radical Islam, and globalism which spawned the presidency of Barack Hussein Obama. These same forces now constitute the "resistance" to President Donald J. Trump. Cliff Kincaid, President, of America's Survival, Inc., says,

## Read Book Online The Hidden White House Harry Truman And The Reconstruction Of America S Most Famous Residence

"This book explains the rise to power of America's first Marxist president. Until we truthfully identify his nature and identity, and the forces backing him, we will never understand what has to be done to defend the United States and return our country to constitutional principles, traditional values, and a pro-American foreign policy." He adds, "The smoking gun evidence of Barack Hussein Obama's deep personal relationship with suspected Soviet espionage agent and Communist Party member Frank Marshall Davis is the real Russia-gate scandal."

### The Life of Abraham Lincoln

Now a classic, this is the fundamental text for those seeking a "Spiritual Understanding of Nature on the Basis of Goethe's Method of Training Observation and Thought." Working out of a detailed history of science, Lehrs reveals to the reader not only how science has been inescapably led to the illusions it holds today, but more importantly, how the reader may correct in himself these misconceptions brought into his world view through modern education.

### The Hidden White House

In this engaging and entertaining peek behind closed White House doors, bestselling author Web Garrison explores and explains the states of affairs that have often gone hand in hand with affairs of state. Illustrations.

Time is the most powerful force on earth. Every nation and leader submits to the power of time. In business, politics or everyday life, all future plans and desires are under the influence of time. In the Emergency Room or in the field of battle choices are made by prior preparation. To learn how to succeed, one learns how to overcome. You are at the greatest place of your life. So look for Time the Unfound Friend and if you work together, changes will take take place. You can make a difference around the world starting right now! Time is the very thing that God used to create the universe. There is no mathematics or sound waves or speed of light without the power of time. Time is the element that God releases when He said in Genesis 1:1-6 "In the beginning" and then "Let there be" and there was light and He separated light from darkness. There is no flow of blood or rhythm of a heart beating without the power and influence of time. Blood makes a complete circle in your body every 22 seconds. The corresponding actions of thought and action in our lives correlates one's response with attitude, feelings and imagination. From music to singing everything is coexistent with the measure of time allowed in one's life. From birth to death the accounting of our lives in birthdays to experience and

political hijinks—and déjà vu (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield's successor that he had to defend himself against plotting Garfield's assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. *Accidental Presidents* shows that "history unfolds in death as well as in life" (The Wall Street Journal) and adds immeasurably to our understanding of the power and limits of the American presidency in critical times.
