### The Little Book of Living Small, the (Hardcover

Perfectly timed, The Little Book of Living Small feels like the inspiring collection of interiors we need right now. With the barrage of content pushing us to buy (always more and bigger and better) I loved that this book encourages and celebrates a simple appreciation for what we're all fortunate enough to have already.

### The Little Book of Living Small | IndieBound.org

In her new book, The Little Book of Living Small (2020: Gibbs Smith), author Laura Fenton not only makes a case for that but also shares
