The power of the individual voice | TED Talks

The human voice has a power to move me much more by its rhythms, patterns and intonations than by the bare meaning of the words it might carry. It is the voice that gives the intended meaning to the words as well as the power to heal or harm. What news does your own voice convey about the state of your feelings and level of wellness?

The Power Of Your Voice Podcast - Home

Through prosody, we express tenderness, or anger, or enthusiasm, or any number of other nuanced emotional states that give the human voice its peculiar power to woo, persuade, threaten, cajole and
