Free Copy PDF The Slave Community Plantation Life In The Antebellum South

The Slave Community: Plantation Life in the Antebellum South is a book written by American historian John W. Blassingame. Published in 1972, it is one of the first historical studies of slavery in the United States to be presented from the perspective of the enslaved. The Slave Community contradicted those historians who had interpreted history to suggest that African-American slaves were docile and submissive "Sambos" who enjoyed the benefits of a paternalistic master-slave relationship

Plantation Life - Understanding Slavery

The slave family was, of course, part of a broader slave community, which developed its own cultural patterns. Customs were derived not merely from the immediate plantation but from memories and survivals of Africa. Although cultures differed from one colony to another, they all shared certain features.
