The book "The Tao of Willie" is quite an easy read - I finished it in a few days. It is full of mundane wisdom, that would be expected from such an everyday guy as Willie Nelson - a people's entertainer.

## **The Tao of Willie Quotes by Willie Nelson - Goodreads**

Featuring vignettes from each chapter of his seventy-plus years (along with plenty of his favorite jokes), The Tao of Willie captures his views on money, love, war, religion, cowboys, and other essential Willie topics. Loosely based on the principles of the Chinese philosophy of the Tao Te Cheng, which Willie has admired and followed for much of his adult life, this inspiring and entertaining

## **The Tao of Willie: A Guide to the Happiness in Your Heart**

In this autobiographical collection of life advice, The Tao of Willie, one of America's truest hearts reveals the spiritual and practical lessons learned from decades of hard knocks and good bounces. This inspiring and entertaining collection of "Willie wisdom" takes us from his days as a young boy in Texas where he learns to respect his elders, to his roadhouse days when he united redneck

## **The Tao Of Willie A**

Willie is an excellent raconteur and joke teller, an interesting character, and, naturally, a consummate entertainer. I highly recommend this as an entertaining read. As far as the Tao is concerned, you will need to read that separately, and I think Willie will pique your interest, with his many references, and applications of its principles.

## **The Tao of Willie: A Guide to the Happiness in Your Heart**

This book could have many titles, the wisdom of Willie for example, but it was the Tao that caught my attention. If you are like me, you might agree that the Tao Te Ching which is 2,500 years old is one of the best books of wisdom ever written. You might also tend to think Willie would not be one of its exponents.

## **Bing: The Tao Of Willie A**

?Born in small-town Texas during the Great Depression, Willie Nelson was raised to believe in helping his neighbors and living without pretense. After many hardscrabble years as a poorly paid songwriter (often watching his work become a gold mine for other performers), Willie finally found his own vo...

The Tao of Willie Bought this book a couple of years ago because it was on sale and small and easy to carry on a trip. To my surprise on our road trip I found that everyone in the car loved Willie. My 70 year old husband and my 10 year old grandson laughed all the way home. Now I have loaned it to my 90 year old mother (she loved it) and my 30 year daughter laughed her way through it too. I am
