The Touch is a new collaboration between Nathan Williams of Kinfolk and Jonas Bjerre-Poulsen of Norm Architects that welcome readers into over 25 inspiring spaces where interior design is not only visually appealing but engages all of the human senses.

## **Bing: The Touch Spaces Designed For**

“The Touch?” shows that great design is not just visually appealing—it engages all of the human senses. A perfectly framed photo can provide a visual feast, but there’s so much more to architecture than meets the eye—and there’s no substitute for the immersive experience of visiting a place in person.
