Tiny House: Live Small, Dream Big - the micro life

Tiny house: live small, dream big | Clarkson Potter. Brent Heavener's Tiny House is a book inspired by his original blogging and Instagram account (@TinyHouse) about alternative living arrangements. The main theme among them: financial freedom by living well below your means. The Living Tiny movement is a growing social phenomenon of people bucking the trend; no longer 'keeping up with Joneses' in McMansions with financed cars, living tiny means living well below your means, and encompasses
