Tutorial Guide To AutoCAD 2021 pdf? Does anyone know where I can find a pdf of "A Tutorial Guide To AutoCAD"? It doesn't have to be 2021, it can be 2019 or 2020. I have an intro to auto cad class and it requires this book. Being a broke college student it would be nice if I can find a full pdf. I have only been able to find a pdf of chapter 2 and not the whole book. 0 comments. share
