21 Songs in 6 Days

The ukulele has gone from strength to strength in recent years, undergoing a massive resurgence. You can hear the uke all over the place, from trendster indie rock to top ten pop songs, from unshakeable TV ads to YouTube megahits. And this obsession shows no sign of abating - all over the country people are picking up a ukulele and starting to strum, at

home, in classes and down at the pub. Schools are even replacing the faithful recorder with a jazzy, inexpensive uke. Famous idlers Gavin Pretor-Pinney and Tom Hodgkinson have spent hours idling away on their ukuleles to produce the ultimate uke handbook: an illustrated guide to its history crossed with a how-to guide and songbook. This is the book that will bring the underground movement into the mainstream. The first half of the book delves into the rich history of this eccentric little instrument, from its birth in Hawaii to its popularity across the world, with a timeline from 1879 to today and a ukulele hall of fame that includes George Formby, Hawaiian legend Israel Kamakawiwo'ole and YouTube ukulele superstar Jake Shimabukuro. Then on to the practicalities: the anatomy of the ukulele, which uke to buy, how to play it, how to strum, pick, read chord charts and tune the strings. Once you know all this, you can get playing the songbook, which includes a wide spread of songs from medieval lays and nursery rhymes to blues and rock 'n roll. Beautiful presentation and tab notation make reading the music easy, even for beginners. With the highest production values, a light touch and an irresistible instrument at centre stage, this book is a must-have for all aspiring Formbys.

How to Play Ukulele

Are you a beginner and would like to learn how to play the ukulele from scratch? Are you looking for a practical and simple guide to learning to play ukulele? Playing the ukulele should bring you peace and joy. Do not make it into a job where you feel like you have to practice every day. Music is all about staying true to yourself and staying in love with the practice of it. I am going to leave you with my top 5 list of beginner's tips for the ukulele and that you will find in this book: Starting as a beginner play slowly. This will also assist with chord changes. Practice this with lots of chord changes. Your goal is accuracy and not speed as the speed will naturally come and will not the other way around. Refer to the figures on how to correctly hold your Ukulele standing or sitting. Proper strumming influences your sound more than you know when beginning. Besides strumming you can palm mute and then slap the strings to get down and funky. Ensure you have the basics covered in this book. I know you want to go from 0 to 100 in two seconds but do not try or you will become disheartened. You had to crawl before you walked, right? Do exercises and practice fingering. This will make you more accurate and you guessed it, faster. I wish you well, and I hope that you found everything that you needed in these pages. I have made sure that you have all of the necessary material to get started and a few great diagrams to give you a clearer picture. You have gone thru the basics of playing a
