begats great art but a cliché wouldn't be a cliché if there weren't some truth behind it. Cervenka's sister, Mary, is all over the album in songs like "Riding with Mary," "Come Back to Me," and "Dancing

Under The Big Black Sun would peak at #76 on the Billboard chart and go no higher, while far lesser bands and far lesser albums would pass it by without even giving it a glancing look. It would not blaze any trails for punk rock entering the mainstream. It would not kick down any doors that locked American punk rock out of mainstream radio.

“X’s first album issued on a major label, 1982’s Under the Big Black Sun, is arguably their finest record. All 11 songs are exceptional, from both a performance and compositional point of view. Ray Manzerek’s production is more akin to hard rock bands than their earlier punk works, but the songs still pack quite a punch.

Listeners will travel to the clubs that defined the scene as well as to the street corners, empty lots, apartment complexes, and squats that served
