### Simplicity

Suzanne Kasler is known for her classically inspired rooms, pretty palettes, and comfortable spaces. She brings Southern charm, European sensibility, and a respect for architectural details to her interiors. Her neutral palette, spiced with hits of color, creates warm spaces that are elegant yet inviting. Inspired by fashion, Kasler uses a scarf as a throw, adds grosgrain or satin banding to the bottom of a chair cover, accents draperies with Chanel-like piped borders, or embellishes a bed frame with delicate handpainted patterns. It is these exquisite haute couture details that drive her design aesthetic. Kasler's mélange of antiques, midcentury pieces, and modern furniture makes her layered interiors attractive and livable. Lavishly illustrated, this beautiful volume showcases a range of Kasler's projects, from a luxurious Georgian mansion in Atlanta's Buckhead to a sophisticated farmhouse in Tennessee and a beach house in Watersound, Florida. Offering a wealth of original design ideas that are refreshing and full of verve, *Timeless Style* is a welcome addition to any library of interior design books.

### The Art of Animal Character Design

Explores the role of textures, multi-purpose furniture, and unexpected objects in rendering spaces both comfortable and eye-catching, outlining a range of short- and long-term steps for overall home design.

### Thomas Pheasant

Infuse thoughtfully furnished rooms with your own personal style, for every part of your home. Drawing on inspiration from his personal style, world travels, and client experience, Grant K. Gibson takes you on a journey to curate your perfect home. This highly instructional design book covers wall-to-wall, floor-to-ceiling, in an engaging and comprehensive look at what makes a home both functional and beautiful. Learn the importance of not just decorating with objects, but infusing your living space with items that have meaning in your own life. Each chapter focuses on a different element of the home: foyer, living room, dining room, kitchen, bedrooms, kids' rooms, and bathrooms and powder

rooms. Discover Grant's design philosophy and the questions you should be asking yourself as it pertains to each respective room. Sidebars with design secrets, decorating tips, and how-tos provide further instruction. Thorough and personable, showcasing photography from Grant's portfolio, his travels, and vast collection of previously unpublished snapshots taken in the process of his design work, The Curated Home is home décor inspiration at its best.

### Suzanne Kasler: Sophisticated Simplicity

The Beauty of Home combines refined elegance and innovative simplicity for a fresh, new perspective on traditional interior design. Marie Flanigan's trademark style is evident through her sophisticated use of texture, color, and light. These components combine to create environments in which people love to live. The Beauty of Home details the specific design elements integral to Marie's creative process. Highlighting nine elements—architecture, composition, character, palette, illumination, detail, simplicity, depth, and surprise—each chapter begins with Marie's philosophy of design on that particular element, and is followed by photo collections of individual homes with commentary and meaning behind each image—how it specifically relates to the chapter element, and design as a whole. This is a sophisticated philosophy-of-design work, complemented by gorgeous photography featuring more than twenty diverse homes displaying custom furnishings, antiques, textiles, and fine art.

### Victoria Hagan

Presents the work of interior designer Victoria Hagan, known for her serene "new American classic" look.

### Shades of Grey

Hagen features a selection of ten interiors that embody her iconic American aesthetic. Located throughout the country, the projects feature a range of architectural styles presented with a generosity of spirit and an appreciation for the intricacies of design. Each photo section features a short introduction by Hagen.

### Black and White (And a Bit in Between)

Timeless, classic, and ever-popular, Christina Strutt's relaxed approach to decorating has earned her fans worldwide. Living Life Beautifully tells the story of how Christina founded legendary fabric company Cabbages & Roses and grew it into a lifestyle brand. Christina talks about her inspirations and influences, and how she works these into her products. Specially-commissioned photography allows us a peek into her London apartment, and we see behind the scenes at her family home in the Bath countryside. This 600-year-old cottage is the backdrop for constantly changing interiors—it is where Christina designs her fabrics, experiments with her new wallpapers, and gathers all her favorite

antiques, inherited gems, and newly sourced vintage acquisitions. In addition, Christina shows us a selection of other homes and lifestyles she finds truly inspirational, including those of Brigette Buchanan of interiors company Odd Limited, and Maureen Doherty of Egg.

### Summerour

An appealing approach to creating dwellings blending vernacular styles, fine craftsmanship, and indigenous materials. This volume features the recent projects of McAlpine, one of the country's most highly respected architecture and interior design firms, renowned for its timeless houses exemplifying the charm and elegance of traditional and vernacular English, American, and European styles blended with a modern sensibility. Following from their first book, *The Home Within Us*, this book profiles twenty stunning projects, from a stone tower folly standing in the gardens of a Tudor-style house to a humble yet elegant wooden lakeside retreat. Through his poetic voice, Bobby McAlpine narrates the story of each residence, pointing out its unique qualities. Featured are an exotic Florida Panhandle beach house; a Tuscan-style horse farm; a rambling Colonial Revival compound; and a miniature European manor house, among others. These dwellings are classically understated and welcoming. With its gorgeous photography of inspiring interiors and exteriors, *Poetry of Place* will appeal to those interested in design romancing the past.

### Houses That We Dreamt Of

Marshall Watson's first book reveals how to make traditional interiors fresh. Known for his meticulously researched, European-inspired style, Marshall Watson creates interiors that are rich in texture, detail, and simple luxuries. In his first book, Watson shares his finest work, demonstrating that while each of these homes is as unique as its owner, they all adhere to principles that transform a mere series of spaces into a genuine, coherent home: warmth; light; peace; comfort; balance; proportion; livability; and last but not least, appropriateness. Whether in an Italianate villa in Los Cabos or a family idyll on a Swedish island, a Gramercy Park apartment that blends shimmer and restraint, or a Newport Beach cottage warmed by walls finished in egg-yolk yellow, Watson explains how he translated each family's lifestyle and aspirations, the house's history, and the surrounding environment into a highly original form of elegance--and how anyone can discover his or her own. Beautifully photographed with lavish images of Watson's work, this inspiring book is a must-have for interior design lovers.

### A Theatre for Dreamers

This complementary volume to *The Private Oasis- Built Elements in the Landscape*(Grayson, 6/2012) focuses on the many ways plants, as a soft element in the landscape, can shape our emotional response to a garden. From lush, low borders that ease the transition between the hardscape elements that define terraces and the natural landscape beyond, to immaculately shaped espaliers and romantic allees, to architectural hedges, to thematic flower gardens planted exclusively to provide beguiling scents throughout the seasons, Edmund Hollander and Maryanne Connelly provide an insider's glimpse into how their firm creates landscapes that are memorable, sensual, and layered. Text

by longtime New York Timesgarden contributor Anne Raver breaks down the design of these glamorous East Coast estate gardens to show how they were created--and how the reader can extract elements of them successfully for smaller gardens at home by following Hollander's ecological and practical emphasis on choosing zone-appropriate and condition-appropriate plants. Over 300 lush color images show gardens both in detail and overview. An appendix on the designers' 25 favorite plants for temperate climates (complete with lively anecdotes about why) makes their designs accessible to all.

### The Art of Elegance

Braithwaite takes the reader deep into her singular vision. Divided into five sections, the book begins with her manifesto on simplicity and the aspects of design used to achieve it, including architecture, scale, color, texture, pattern, and composition. She then presents three categories of style--country, classic, and contemporary--and explains and illustrates each with iconic rooms from her portfolio. Finally, she presents several houses as case studies, displaying the power of these principles in action and emphasizing the importance of craftsmanship in design.

### Living Life Beautifully

Over 30 years, Joe Nahem of Fox-Nahem has built a reputation for creating classic, contemporary, bespoke, and highly creative interior designs. The first book on his career, Fox-Nahem presents his most luxurious, exuberant, and refined interiors that showcase his own personal vision of modernism. Featuring 15 projects, the accompanying essays detail Nahem's design process, specifically his ability to function as much as a curator as designer, bringing together strong objects of quality and rarity in harmonious ensembles. Nahem's interiors are unique because he designs many of the finishes, textiles, and furnishings that establish the look and feel of a room. He calls on a stable of artisans and craftspeople, including woodworkers, metal workers, and weavers, who assist him in creating one-of-a-kind environments for clients who demand something that no one else has. With more than 250 photographs, Fox-Nahem celebrates the work of a designer who seamlessly adapts his style to suit the context and fit his clients' highly refined and original tastes.

From celebrated design expert and interior designer Athena Calderone, a look into how creatives decorate their spaces Beautiful design isn't just pleasant to look at; it improves the quality of our lives. In Live Beautiful, the highly anticipated design book by Athena Calderone, the EyeSwoon creator taps into her international network of interior decorators, fashion designers, and tastemakers to reveal how carefully crafted interiors come together. She also opens the doors to two of her own residences. With each homeowner, Calderone explores the initial spark of inspiration that incited their design journey. She then breaks down the details of the rooms--like layered textures and patterns, collected pieces, and customized vignettes--and offers helpful tips on how to bring these elevated elements into your own space. Filled with

gorgeous photography by Nicole Franzen, Live Beautiful is both a showpiece of exquisite design and a guide to creating a home that's thoughtfully put together.

### The Beauty of Home

In the tradition of Rizzoli's Jeffrey Bilhuber and Michael Smith's *The Curated House*, *The Houses That We Dreamt Of* is the long-awaited monograph on the homes of Reed and Delphine Krakoff. While some of their houses have been previously published to acclaim, others are presented here for the first time. These interiors combine old-world elegance (Delphine is an Parisian-trained interior designer) with cutting-edge and often one-of-a-kind 20th-century furnishings from the likes of the Lalannes and Marc Newson. Combining the sophistication of high-end interiors, the innovation of vintage and contemporary furniture and art, and the glamour of fashion, the homes of Reed and Delphine Krakoff are grand in their refinement, personal in their outlook, and unforgettable in their presentation.

### Anouska Hempel

Create calming, peaceful spaces in your home with white and neutral tones with the first home decorating book from The White Company, published as this much-loved brand celebrates its twenty-fifth anniversary. "The thing about white is that it goes with everything, it is a canvas for life, whoever you are and whatever your tastes. You just can't beat it." Chrissie Rucker Whether you live in a tiny city apartment, a rambling country cottage or an elegant town house *For the Love of White* offers the definitive book on decorating with white and neutral ones. From room schemes for light, bright family kitchens and calming bedrooms to the all-important finishing touches—this is a book to be inspired by again and again. Illustrated with specially commissioned photography by leading interiors photographer, Chris Everard and organized into three sections—Country, Town and Coastal—the book provides both the advice and the inspiration needed to transform your home.

Not since Dressing the Man has there been a definitive style guide for modern men. Into this gap steps The Sartorialist - renowned photographer and blogger Scott Schuman - which deftly combines the fashion inspiration every man wants with the style education every man needs. The perfect guide for men seeking to find or just honing their personal expression of style in the streetwear age, The Sartorialist weaves together both inspirational visual reference and practical lessons on sartorial matters, from how to tie to a tie to how to talk to one's tailor. Celebrating all types - from Goths to Trads, tailored to vintage, Schuman blows the dust off menswear rules of the past and updates style principles for each individual's body type and taste, as well as outlines style strategies gleaned from his long experience as a photographer and fashion editor. Interwoven with Schuman's dynamic street photography are style dos and don'ts as well as insights on pioneering trends and the diversity of men's fashion. Complementing texts about essential elements of the wardrobe, such as suits, shirts, pants, knits, outerwear, and accessories, are precise illustrations that provide an elegant primer to the foundation of menswear, from the vocabulary of shirts to the all-important fit for diverse body types. Also included are Schuman's sartorial takes on conundrums facing twenty-first-century men, from how to pose for selfies to tips for online reselling, maintenance, and sustainability. Refreshingly contemporary and inspiring, this striking menswear bible will come to define today's essence of style.

### Bulgari & Rome

Crammed with fascinating facts, expert advice, and a wealth of essential information, Shades of Grey will guide you through the minefield that is choosing exactly the right shade of gray paint. "Grey is the cooler, chicer cousin of white that we can't help lusting after" Elle Decor There's no doubt about it, gray is the shade of the moment. On-trend restaurants, shops and homes are covered in it. There's not an interior

decorating program that doesn't feature it. However, despite its popularity, it's not quite as simple as buying a gallon of gray paint and slapping it on the wall. Make the wrong choice, and a gray room can be cold and dark, even energy-sapping. Get it right, however, and your home will look inviting, sophisticated, and modern. So how to find the perfect hue? In *Shades of Grey*, Kate Watson-Smyth explores the current popularity of the shade and consults experts—scientists, paint brands, interior decorators—who reveal their favourite grays (as well as other tricks of the trade). She looks at the huge range of grays on offer and, via a simple process of elimination, will help you track down the shade that works perfectly for you.

### Vogue Living

Top interior designer Steven Gambrel's luxe aspirational cloth-bound tome showcases his latest home interiors. Using a classical approach injected with contemporary touches and vibrant color, he creates spaces for today rooted in the past. A connoisseur of historical styles, Gambrel's designs feature compelling reinterpretations of the past coupled with a sense of place. Rooms range in style from elegant country to high-gloss urban. A confident colorist, his daring palette includes bright pinks, emerald-greens, deep grays, and cerulean blues. His tactile surfaces—from shiny lacquer to rugged matte—provide an exciting textural contrast to the elegant antiques and vintage furnishings mixed seamlessly with his upholstered creations. For his second book, the designer gives insight into his unique sensibility with recent projects including his nineteenth-century townhouse in New York City's West Village; a lime-washed brick Bridgehampton beach house; a rustic, refined Zurich estate; the luxurious Astor Suite in Manhattan's Plaza Hotel; and a charming sea captain's house in Sag Harbor. These residences will inspire design aficionados.

### Designers at Home

### The Curated Home

Simple gardening ideas for transforming an outdoor space with containers, furniture, lighting and other low-maintenance elements. 'Spending so much time outdoors in my childhood made me think of a garden as a natural extension of my home - an inseparable part of everyday life. It wasn't until I moved into a rented property in the city that I felt an undeniable urge to make the most of the little exterior space that we had and re-evaluate it. In time, creating outdoor spaces that people truly care for, no matter how small or large, became much more rewarding than perfecting any indoor space. Many say that a home is a true reflection of self, but I believe it is the garden, where personalities and relationships with our surroundings truly blossom.' - Ula Maria Gardening ideas for time-poor urbanites and the new wave of millennial gardeners. Includes gardening instructions for small spaces, flowers in small pots and tips on growing plants in urban areas. Designed for those with small gardens, terraces, balconies and roof gardens who see their outdoor space as an extension of their home, rather than the horticulturally committed.
