Western music (North America) - Wikipedia

A cowboy is an animal herder who tends cattle on ranches in North America, traditionally on horseback, and often performs a multitude of other ranch-related tasks. The historic American cowboy of the late 19th century arose from the vaquero traditions of northern Mexico and became a figure of special significance and legend.

West: The American Cowboy - KRANTZ, ANOUK MASSON

In the mid 19th Century the American cowboy occupied a place sufficiently important to entitle him to a considerable share of public attention. His occupation was unique. In the exercise of his function, he was always a man on horseback. His duty as a worker in the cattle business was, at times, to ride over the range in order to see that straying cattle did not rove too far from the assigned

The American Cowboy – Legends of America

"*West: The American Cowboy*" explores, in black and white, the enduring iconic symbol of our country's pioneering spirit. She also focused her lens on the wide-open spaces in a largely overlooked part of the world.--Aspire A unique collection from an award-winning photographer and storyteller, the book is an artful, intimate study of American character and sense of place.--Yahoo Style (UK

West: The American Cowboy: Krantz, Anouk Masson

Over time, the cowboy became a mythical figure, central to the idea of the American West as being dangerous and violent. Later, this idea of the cowboy as hero was embraced by the Hollywood film industry. Many exciting adventure films, called Westerns, were made that turned the cowboy into a strong, silent, heroic figure. History › The American West › Cowboys › Horse. A cowboy ' s
