As I Lay Dying

Before we go any further, I want you to understand this: I am not a good person. We all want to be seen. We all want to be heard. But what happens when we're seen and heard saying or doing the wrong things? When Winter Halperin – former spelling bee champion, aspiring writer, and daughter of a parenting expert – gets caught saying the wrong thing online, her life explodes. All across the world, people know what she's done, and none of them will forgive her. With her friends gone, her future plans cut short, and her identity in shambles, Winter is just trying to pick up the pieces without hurting anyone else. She knows she messed up, but does that mean it's okay for people to send her hate mail and death threats? Did she deserve to lose all that she's lost? And is "I'm sorry" ever good enough? If You Don't Have Anything Nice To Say is the thought provoking novel from multi award winning author, Leila Sales

Go Down Dead

The Instant New York Times Bestseller Shortlisted for the Carnegie Medal for Excellence in Nonfiction A searing, deeply moving memoir about family, love, loss, and forgiveness from the critically acclaimed, bestselling National Book Award-winning author of *The Absolutely True Diary of a Part-Time Indian*. Family relationships are never simple. But Sherman Alexie's bond with his mother Lillian was more complex than most. She plunged her family into chaos with a drinking habit, but shed her addiction when it was on the brink of costing her everything. She survived a violent past, but created an elaborate facade to hide the truth. She selflessly cared for strangers, but was often incapable of showering her children with the affection that they so desperately craved. She wanted a better life for her son, but it was only by leaving her behind that he could hope to achieve it. It's these contradictions that made Lillian Alexie a beautiful, mercurial, abusive, intelligent, complicated, and very human woman. When she passed away, the incongruities that defined his mother shook Sherman and his remembrance of her. Grappling with the haunting ghosts of the past in the wake of loss, he responded the only way he knew how: he wrote. The result is a stunning memoir filled with raw, angry, funny, profane, tender memories of a childhood few can imagine, much less survive. An unflinching and unforgettable remembrance, *YOU DON'T HAVE TO SAY YOU LOVE ME* is a powerful, deeply felt account of a complicated relationship. One of the most anticipated books of 2017--*Entertainment Weekly* and *Bustle*

The Hamlet

Art in Advertising

His first novel about a sixteen-year-old man-boy and leader of The Playboys, a Harlem gang of the early sixties.

Once There was a Way

On her first day as a newly qualified teacher in a Category B prison, Kate Stuart meets Michael and is immediately struck by his uncanny resemblance to her son. Michael is shy and

unmotivated in class, so Kate encourages him to write about his life prior to his murder conviction. His writing reveals a lifetime of abuse and disillusionment, and this stirs up memories from Kate's own life. When Michael falls into depression and attempts suicide, Kate believes she is to blame for asking him to revisit his past. On his return to class after a stay in hospital, Michael continues to write, but Kate soon realises that the now sexually explicit content of his letters is intended to arouse her. Her obsession with the young prisoner's welfare makes her oblivious to what is happening closer to home—her son's drug addiction and husband's affair.

Light in August: A-L

Sweet, bookish Neve Slater always plays by the rules. And the number one rule is that good-natured fat girls like her don't get guys like gorgeous, handsome William, heir to Neve's heart since university. But William's been in LA for three years, and Neve's been slimming down and re-inventing herself so that when he returns, he'll fall head over heels in love with the new, improved her. So she's not that interested in other men. Until her sister Celia points out that if Neve wants William to think she's an experienced love-goddess and not the fumbling, awkward girl he left behind, then she'd better get some, well, experience. What Neve needs is someone to show her the ropes, someone like Celia's colleague Max. Wicked, shallow, sexy Max. And since he's such a man-slut, and so not Neve's type, she certainly won't fall for him. Because William is the man for her right? Somewhere between losing weight and losing her inhibitions, Neve's lost her heart - but to who?

Allure

Analyzes the illusions we have created for ourselves that justify our anger. We can draw on our own inner resources to heal its scars and focus on forgiveness for ourselves and others.

The Story So Far

The Sanitarian

The Mansion

You probably know Simon Napier-Bell as the manager of the Yardbirds. Or you may know him as the man who managed Marc Bolan, or Japan. You should definitely know him as the man who managed Wham! And if none of these rings a bell, maybe you'll remember him as the man who co-wrote 'You Don't Have To Say You Love Me' for Dusty Springfield. *You Don't Have To Say You Love Me* is one of the funniest books you will read and equally provoking. From his revelation that the entire music industry was motivated by sex, to an embarrassing come-on from a suicidal Brian Epstein, it's all shocking stuff. But when you're on the run from the German police with Marc Bolan, brothel-hopping with Keith Moon and generally living the life of Riley at the music industry's expense, it would be a shame not to share those amazing experiences with the rest of the world, wouldn't it? Of all the great pop-music books written, it is worth savouring *You Don't Have To Say You Love Me* for its brilliant sideways insight into one of the most exciting cultural periods Britain has ever seen.

Living with Shadows

Random Family tells the American outlaw saga lurking behind the headlines of gangsta glamour, gold-drenched drug dealers, and street-corner society. With an immediacy made possible only after ten years of reporting, Adrian Nicole LeBlanc immerses the reader in the mind-boggling intricacies of the little-known ghetto world. She charts the tumultuous cycle of the generations, as girls become mothers, mothers become grandmothers, boys become criminals, and hope struggles against deprivation. Two romances thread through *Random Family*: the sexually charismatic nineteen-year-old Jessica's dizzying infatuation with a hugely successful young heroin dealer, Boy George, and fourteen-year-old Coco's first love with Jessica's little brother, Cesar, an aspiring thug. Fleeing from family problems, the young couples try to outrun their destinies. Chauffeurs whisk them to getaways in the Poconos and to nightclubs. They cruise the streets in Lamborghinis and customized James Bond cars. Jessica and Boy George ride the wild adventure between riches and ruin, while Coco and Cesar stick

closer to the street, all four caught in a precarious dance between life and death. Friends get murdered; the DEA and FBI investigate Boy George's business activities; Cesar becomes a fugitive; Jessica and Coco endure homelessness, betrayal, the heartbreaking separation of prison, and throughout it all, the insidious damage of poverty. Together, then apart, the teenagers make family where they find it. Girls look for excitement and find trouble; boys, searching for adventure, join crews and prison gangs. Coco moves upstate to dodge the hazards of the Bronx; Jessica seeks solace in romance. Both find that love is the only place to go. A gifted prose stylist and a profoundly compassionate observer, Adrian Nicole LeBlanc has slipped behind the cold statistics and sensationalism surrounding inner-city life and come back with a riveting, haunting, and true urban soap opera that reveals the clenched grip of the streets. *Random Family* is a compulsive read and an important journalistic achievement, sure to take its place beside the classics of the genre.
